Products General Information

- 304 Stainless steel:

- ✓ Fine quality of 18- or 16-gauge BA 304 18/10 Nickel bearing stainless steel.
- ✓ Highly heat- resistant grade, and offers good corrosion resistance to many chemical corrodents
- ✓ Above minimum of 16% chromium approved by FDA.

- PVD Coating:

- ✓ The PVD finish is obtained through a physical, non-chemical process with superior resistance to any other treatment.
- ✓ Its exceptional surface hardness is resistant to wear, abrasion, corrosion and to solvents, detergents, and foods with high acidity.
- ✓ Uses a state-of-the-art process that molecularly bonds the finish to the stainless steel sink, creating a super-hard surface that is, by far, the most durable available today.
- ✓ These cutting-edge finishes are so effective, we guarantee them for life against tarnishing. Avoid all products designed to remove tarnish or rust, and contain hydrochloric, hydrofluoric, and/or phosphoric acid or caustic agents. Avoid bleach. Avoid scouring pads.

Products General Information

- Anti-corrosion paint:

Anti-corrosion paint is used for preservation of structural steel work against acid fumes and adverse weather conditions. It protects the metal components against degradation due to moisture, salt spray, oxidation or exposure to various weather conditions and chemicals.

- Sound dampening:

Sound absorbing pad and Anti-corrosion paint applied to dampen sound.

- Soft Satin/polished finishing:

A satin finish is an all-purpose polished finish that gives the stainless steel surface a smooth and unidirectional appearance.

Series Introduction

- Azure Series:

- ✓ Thanks to the state of the art technology, common round corner sinks were transformed to precise rectangular shape with a perfect 90-degree edge.
- ✓ This hand-made series brings confidence and a vivid appearance to your kitchen; hence, it's called formal luxury with a bold look.

- Amber & Almond Series:

- ✓ How cool it would be to have a hand made smooth round corners sink with satin finish look in your kitchen.
- ✓ Contemporary look and easy to clean.

Series Introduction

- Rose Series:

- ✓ Modern square sinks combined with the latest technology of deep drawing bring about a big range of economic choices to your kitchen.
- ✓ This series ranges in a variety of sizes from small bar single bowl to bigger size double bowl kitchen sinks with polished finish.

- Sienna & Mint Series:

- ✓ A classical contemporary design with a nostalgic feel in your kitchen.
- ✓ Specific shapes with satin finish.

Series Introduction

- Utility & Vanity Series:

- ✓ Compound shape stainless steel geared design for your laundry and vanity use.

- Color X & Touch Series :

- ✓ A joyful look of colorful luxury combined with durable stability brings an absolute invaluable addition to your kitchen.
- ✓ Environmentally friendly, hand made PVD coated soft satin finish in matte and shiny presentations.

- Apron Series:

- ✓ A fabulous transitional design resulted in bold change of traditional farmhouse style look to its presential unique appearance.
- ✓ Suitable for large kitchens and large families.
