Colors:

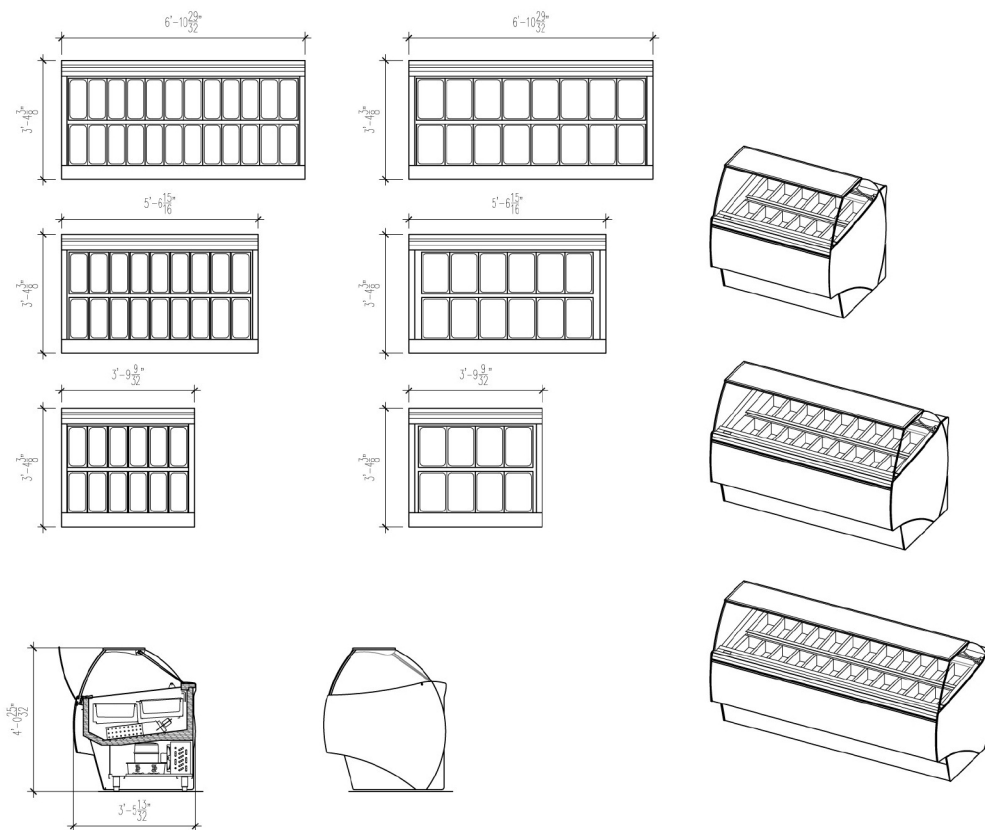

RAL color choice, Okite-Quartz finish, ALPI wood laminate, or design collection finish type

Key Features:

- ◇ Visibility: Extraordinary enhancement of displayed products
- ◇ High Performance: Class +4/double air flow ventilation system/ oversized monophase, built in compressor/ automatic reverse cycle defrost
- ◇ Customizable: Wide variety of finish and cladding options
- ◇ Energy Saving: LED lighting comes standard
- ◇ Ergonomics

CIAO is the new line of professional gelato cabinet by CIAM. Appositely developed for spot sales in tropical ambient condition (class 4+). Monolithic display tank in injected polyurethane and S/S coated with rounded edges for cleaning purpose. Tempered front curved glass with tilt down opening and no-fog heating. LED lighting standard for a perfect uniformity effect and energy savings. Double air flow ventilation system to equalize temperature and ensure perfect ice cream maintenance over time. Silenced, mono-phase, hermetic compressor with oversized double fan condenser. Automatic reverse cycle defrost. Main frame in carbon steel painted, adjustable s/s feet or pivoting castor with brake as option. Sides in HPL white as standard. Front panel in RAL color or graphic finishing (optional).
