REVIEWS

ASHMORE RIESLING 2020

Be sure to swirl this wine for a while when first opened so it can release aromas and flavours of green apple and white fleshed fruit, a touch of white rose then its specific signature of place – sage and mineral. Very youthful too with plenty of acidity and crunch followed by a limeflower and mandarin note. Overall well made, no mistaking its individuality making it rather appealing. Best drinking from 2023 through 2030.

92 Points. Premium. Cameron Douglas, March 2022
