

C.C.Rider Seat

Installation Instruction

Part Number: S05

WARNING

Rider and passenger safety depend upon the correct installation of this kit. Improper installation of this kit could result in death or serious injury.

INSTALLATION

1. Remove the seat mount hardware and set it aside.
2. Grab your new seat and remove the supplied safety washer from the mounting bracket.
3. Place the safety washer on your bike's seat mounting point.
4. Slide your seat's tongue forward into the stock mounting position, then set the rear in position.
5. Line up your finger-screw with the threads and secure.
