

C.C.Rider Seat

Installation Instruction

Part Number: S11

WARNING

Rider and passenger safety depend upon the correct installation of this kit. Improper installation of this kit could result in death or serious injury.

NOTE

When performing the following installation procedures, avoid scratching painted surfaces (fender, tank, etc.) with tools or metal seat tabs.

INSTALLATION

1. Remove the seat mount hardware and set it aside.
2. Put off the stock seat and remove the passenger strap.
3. Grab your new seat and remove the supplied safety washer from the mounting bracket.
4. Place the safety washer on your bike's seat mounting point.
5. Slide your seat's tongue forward into the stock mounting position, then set the rear in position.
6. Line up your finger-screw with the threads and secure.
