

# Smart Interactive Display

Collaboration to  
create a better  
future

Model: MW3565/75/86-T

Embedded with Powerful Android System,  
Brings Efficient Collaboration in the Meeting

65" 75" 86" 4K Ultra HD Display and  
Smooth Writing Brings Extraordinary Meeting Experience

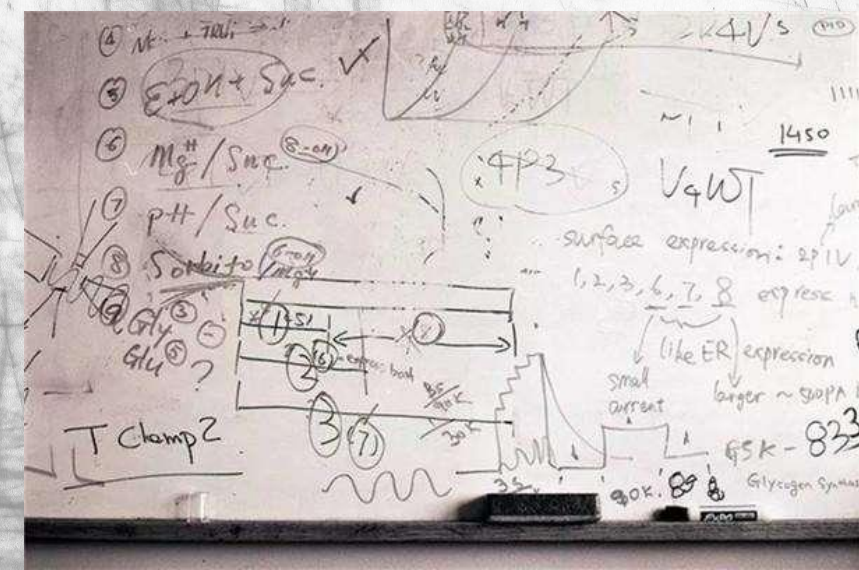

# Is This Your Meeting Room Now?

Can't see the contents clearly with projector when the light is very strong, can only turn off the light or draw the curtains.

The writing pen is always lost, and meeting record is really difficult to be saved.

Really difficult to be cleaned, and it will produce too much dust.

# Smart Interactive Display

**Integrated projector, computer, speaker, TV, writing board and PAD in one device**

***65" 75" 86" 4K Ultra HD Display and Smooth Writing  
Brings Extraordinary Meeting Experience***
