DENTAL CHEWS

mint with activated charcoal

Marltons Dental Chews are delicious dental treats uniquely shaped to reach every tooth surface with each bite.

Real mint and activated charcoal collaborate with teeth-cleaning phosphates to combat tartar buildup, promoting excellent oral health for your dog - resulting in whiter teeth and fresher breath without brushing.

Did you know? 

Periodontal disease is the most common clinical condition in adult dogs, affecting **75% to 85%** of dogs over the age of 3 years old.
