Silver-MSM Cream

- Rich and nourishing non-fragranced cream for all ages, skin types and areas
- Gentle, chemical free skin care product made with MSM, the unique detoxifying skin nutrient
- contains MicroSilver™ which is clinically proven to have anti-microbial properties and is safe to use long term
- Provides round the clock all natural anti-microbial protection when used twice daily
- Made with beeswax for a slight barrier function, which improves the healing process.

Our Silver-MSM Cream is a superb way of applying silver and MSM (Methyl Sulfonyl Methane, a bio-available organic form of sulphur) to the skin.

Its all natural ingredients offer all-round antiseptic, anti-bacterial, anti-viral and anti-fungal action unsurpassed by any skin care products we have seen: The combination of pure elemental silver with cold-pressed oils and Op-tiMSM powder produces an outstanding cascading antioxidant skin cream, which supports healthy skin renewal by providing organic sulphur deep in the epidermal layers, where it is most needed for cell repair. MSM is the most overlooked nutrient skin cells need for building flexible, fully functioning cell membranes.

Silver has broad-spectrum anti-microbial properties and clinical trials have shown MicroSilver™ to be very effective. MicroSilver™ particles are pure elemental silver and clinically proven to release active silver ions for up to 12 hours, so using Silver-MSM Cream twice daily enhances your skin's natural defenses.

For cosmetic uses:

An excellent all-round moisturizer, Silver-MSM Cream is quite rich and thus sinks into the skin fairly slowly, but completely. For cosmetic purposes and maximum effectiveness, it can also be used preventatively, i.e. as a base for makeup

For remedial uses:

Apply to the affected areas generously, let sink in and then cover area if necessary to protect. Because of the purity of the ingredients, the product can be used on wounds, burns, sunburn, cuts and grazes. Also useful for all kinds of insect bites and stings and as a general remedy for inflammation and itchiness.

Silver-MSM Cream is an all-round product: Customers report good results with a wide range of skin complaints including in conditions where nothing else has worked.

Suitable for all ages, including babies and toddlers and safe to use on all areas of the body due to the gentle and chemical free nature of the product.

Ingredients: Steam-Distilled Water, Proprietary Blend of Cold-Pressed Oils (Apricot Kernel, Sweet Almond, Thistle), Cetearyl Glucoside (from Sugar Beet), MSM / Methyl Sulphonyl Methane (not less than 10 % of total weight), Cocoa Butter, Beeswax, Vitamin E (tocopherol), Silver

Silver-MSM Cream with Lemon Myrtle and Lemon Scented Tea Tree

- Rich and nourishing cream for all skin types and areas
- with added Lemon Myrtle and Lemon Scented Tea Tree Essential Oils
- contains MicroSilver™ which is clinically proven to have anti-microbial properties and is safe to use long term
- Gentle, chemical free skin care product made with MSM, the unique detoxifying skin nutrient
- Made with beeswax for a slight barrier function, which improves the healing process.

Our Silver-MSM Cream is a superb way of applying silver and MSM (Methyl Sulfonyl Methane, a bio-available organic form of sulphur) to the skin. Its all natural ingredients offer all-round antiseptic, anti-bacterial, and anti-fungal action unsurpassed by any skin care products we have seen: The combination of pure elemental silver with cold-pressed oils and MSM powder produces an outstanding cascading antioxidant skin cream, which supports healthy skin renewal by providing organic sulphur deep in the epidermal layers, where it is most needed for cell repair. MSM is the most overlooked nutrient skin cells need for building flexible, fully functioning cell membranes.

Silver has proven anti-microbial properties and clinical trials have shown MicroSilver™ to be very effective. MicroSilver™ particles are pure elemental silver and clinically proven to release active silver ions for up to 12 hours.

Made with added Lemon Myrtle and Lemon Scented Tea Tree Essential Oils for enhanced skin benefits. Lemon Myrtle Oil has powerful anti-bacterial, anti-fungal, anti-viral and anti-septic properties. Very useful in treating problem skin and has been found to be helpful in dealing with viral conditions such as molluscum contagiosum. Lemon Scented Tea Tree Oil also is a powerful germicidal agent which is very helpful with various skin conditions

Instructions for use:

As with all our Silver-MSM skin care products, Silver-MSM Cream with Lemon Myrtle and Lemons Scented Tea Tree is best used after the skin has been cleansed with with one of our Silver-MSM cleansing formulas. An excellent all-round moisturizer, the cream is very rich and thus sinks into the skin fairly slowly and so for cosmetic purposes it is best used at night.

For remedial uses, apply to the affected areas generously, let sink in and then cover area if necessary to protect. For best results, use twice daily 12 hours apart.

Because of the purity of the ingredients, the product can be used on open wounds, burns, cuts and grazes. Also useful for all kinds of insect bites and stings and as a remedy for itchiness generally. Safe to use on all areas of the body due to the chemical free nature of the product.

Ingredients: Steam-Distilled Water, Proprietary Blend of Cold-Pressed Oils (Apricot Kernel, Sweet Almond, Thistle), Cetearyl Glucoside (from Sugar Beet), Cocoa Butter, Beeswax, MSM (not less than 10 % of total weight), Vitamin E, Lemon Myrtle Oil, Lemon Scented Tea Tree Oil, Cinnamal, Eugenol, Isoeugenol, Silver

Silver-MSM Cream with Indian Rose and Geranium

- Rich and nourishing cream for all skin types and areas
- lightly fragranced with Indian Rose and Geranium Essential Oils
- Gentle, chemical free skin care product made with MSM, the unique detoxifying skin nutrient
- contains MicroSilver™ which is clinically proven to have anti-microbial properties and is safe to use long term
- Made with beeswax for a slight barrier function, which improves the healing process.

Our Silver-MSM Cream is a superb way of applying silver and MSM (Methyl Sulfonyl Methane, a bio-available organic form of sulphur) to the skin.

Its all natural ingredients offer all-round antiseptic, anti-bacterial and anti-fungal action unsurpassed by any skin care products we have seen: The combination of pure elemental silver with cold-pressed oils and MSM powder produces an outstanding cascading antioxidant skin cream, which supports healthy skin renewal by providing organic sulphur deep in the epidermal layers, where it is most needed for cell repair. MSM is the most overlooked nutrient skin cells need for building flexible, fully functioning cell membranes.

Silver has proven anti-microbial properties and clinical trials have shown MicroSilver™ to be very effective. MicroSilver™ particles are pure elemental silver and clinically proven to release active silver ions for up to 12 hours, so using Silver-MSM Cream twice daily enhances your skin's natural defenses.

Made with added Indian Rose and Geranium Essential Oils for enhanced skin benefits. Indian Rose Oil is known to have excellent natural skin care properties for moisturizing, balancing and hydrating skin. Where skin is too oily, it can be helpful in controlling and regulating sebum production while providing essential hydration where skin is dry. As both contain natural anti-septic and anti-bacterial properties, Geranium Oil works in combination with Indian Rose very successfully. Geranium has been found to be very helpful in clearing congested skin and oxygenating skin cells, particularly where there are broken capillaries and veins.

Instructions for use: For cosmetic uses:

As with all our Silver-MSM skin care products, Silver-MSM Cream with Indian Rose and Geranium is most effective after the skin has been cleansed with one of our Silver-MSM cleansing formulas. An excellent all-round moisturizer, Silver-MSM Cream is very rich and thus sinks into the skin fairly slowly and so for cosmetic purposes and maximum effectiveness, it may be best used at night.

For remedial uses: For remedial uses, apply to the affected areas generously, let sink in and then cover area if necessary to protect. For best results, use twice daily 12 hours apart. Safe to use on all areas of the body due to the chemical free nature of the product.

Ingredients: Steam-Distilled Water, Proprietary Blend of Cold-Pressed Oils (Apricot Kernel, Sweet Almond, Thistle), Cetearyl Glucoside (from Sugar Beet), Cocoa Butter, Beeswax, MSM (not less than 10 % of total weight), Vitamin E, Indian Rose (Palmarosa) Oil, Geranium Oil, Cinnamyl alcohol, Eugenol, Isoeugenol, Silver

Silver-MSM Cream with Fragonia, Lavender and Rosemary

- Rich and nourishing cream for all skin types and areas
- With added Fragonia, a rare and unique essential oil sourced from the Australian outback. Fragonia has strong antimicrobial properties, and a soothing effect on the skin, as well as aiding in the relief of muscle tension and joint pain
- Also contains high-altitude Lavender and Rosemary essential oils, which help to tone and revitalise skin, aid muscle relaxation, and provide a pleasant, calming aroma to combat stress
- Contains MicroSilver which is clinically proven to have anti-microbial properties and is safe to use long term

All natural skin care product made with MSM, the unique detoxifying skin nutrient. Our Silver-MSM Cream is a superb way of applying silver and MSM (Methyl Sulfonyl Methane, a bio-available organic form of sulphur) to the skin. Its all natural ingredients offer all-round antiseptic, anti-bacterial, and anti-fungal action unsurpassed by any skin care products we have seen: The combination of pure elemental silver with cold-pressed oils and MSM powder produces an outstanding cascading antioxidant skin cream, which supports healthy skin renewal by providing organic sulphur deep in the epidermal layers, where it is most needed for cell repair. TRIPLE STRENGTH Silver-MSM Cream

- Now available in a triple strength version for increased anti-microbial action
- Powerful all natural anti-microbial cream suitable for all skin types, ages and areas.
- Non-steroidal, non chemical, non-fragranced, safe for frequent and long term use.
- Contains MicroSilver™, scientifically proven to reduce bacteria on the skin
- Tripled levels of MicroSilver™ for maximum benefit
- Provides round the clock anti-microbial protection when used twice daily
- all natural ingredients: No alcohol - No SLS/SLES - No Parabens - Cruelty free skincare.

Triple Strength Silver-MSM Cream has been designed to offer an even more powerful all natural anti-microbial cream. It is made with MicroSilver™, a superior anti-microbial agent creating a powerful silver effect. This patented ingredient is scientifically proven to reduce bacteria on the skin. Our cream is produced with tripled levels of MicroSilver™, to maximize the anti-bacterial properties of silver.

When silver comes into contact with a bacterial cell wall, it disables enzymes that the bacteria needs for its metabolism and it dies off. MicroSilver™ continuously releases silver ions for up to 12 hours, providing round the clock protection when applied twice daily.

With cold pressed oils and MSM, the most overlooked nutrient that skin cells need for building flexible, fully functioning cell membranes. Chemical free and cruelty free skin care.

Please note: this product is primarily intended for remedial purposes, if you are more interested in its cosmetic uses, our standard Silver-MSM Cream may be more suitable.

Instructions for use:

Apply to the affected areas generously, let sink in and then cover area if necessary to protect. Can be used as frequently as required or at least twice daily, 12 hours apart. Because of the purity of the ingredients, the product can be used on open wounds, burns, cuts and grazes. Also useful for all kinds of insect bites and stings and as a remedy for inflammation and itchiness. Triple Strength Silver-MSM Cream is an all-round product: Customers report good results with a wide range of skin complaints, including in conditions where nothing else has worked.

Suitable for all ages, including babies and toddlers and safe to use on all areas of the body due to the gentle and chemical free nature of the product.

Use can be discontinued as soon as symptoms have completely disappeared.

Ingredients: Steam-Distilled Water, Proprietary Blend of Cold-Pressed Oils (Apricot Kernel, Sweet Almond, Thistle), Cetearyl Glucoside (from Sugar Beet), Cocoa Butter, Beeswax, Vitamin E (tocopherol), MSM / methyl sulphonyl methane (not less than 10 % of total weight), Silver

Silver-MSM Cream with Wildcrafted Tea Tree

- Rich and nourishing cream for all skin types and areas
- with added Tea Tree Oil, known to have powerful anti-fungal and anti-septic properties
- contains MicroSilver™ which is clinically proven to have anti-microbial properties and is safe to use long term
- Gentle, chemical free skin care product made with MSM, the unique detoxifying skin nutrient
- Made with beeswax for a slight barrier function, which improves the healing process.

Our Silver-MSM Cream is a superb way of applying silver and MSM (Methyl Sulfonyl Methane, a bio-available organic form of sulphur) to the skin. Its all natural ingredients offer all-round antiseptic, anti-bacterial, and anti-fungal action unsurpassed by any skin care products we have seen: The combination of pure elemental silver with cold-pressed oils and MSM powder produces an outstanding cascading antioxidant skin cream, which supports healthy skin renewal by providing organic sulphur deep in the epidermal layers, where it is most needed for cell repair. MSM is the most overlooked nutrient skin cells need for building flexible, fully functioning cell membranes.

Silver has proven anti-microbial properties and clinical trials have shown MicroSilver™ to be very effective. MicroSilver™ particles are pure elemental silver and clinically proven to release active silver ions for up to 12 hours. Made with added wild crafted Tea Tree Essential Oil from Australia for enhanced skin benefits. Tea Tree Oil has particularly potent and powerful natural anti-fungal and anti-septic properties, whilst also being soothing to irritated and itchy skin.

Instructions for use:

As with all our Silver-MSM skin care products, Silver-MSM Cream with wild crafted Tea Tree is best used after the skin has been cleansed with with one of our Silver-MSM cleansing formulas. An excellent all-round moisturizer, the cream is very rich and thus sinks into the skin fairly slowly and so for cosmetic purposes it is best used at night.

For remedial uses, apply to the affected areas generously, let sink in and then cover area if necessary to protect. For best results, use twice daily 12 hours apart. Because of the purity of the ingredients, the product can be used on open wounds, burns, cuts and grazes. Also useful for all kinds of insect bites and stings and as a remedy for itchiness generally. Safe to use on all areas of the body due to the chemical free nature of the product.

Ingredients: Steam-Distilled Water, Proprietary Blend of Cold-Pressed Oils (Apricot Kernel, Sweet Almond, Thistle), Cetearyl Glucoside (from Sugar Beet), Cocoa Butter, Beeswax, MSM (not less than 10 % of total weight), Vitamin E, Tea Tree Oil (*melaleuca alternifolia*), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Regeneration 5 in 1 Cream

- tones, firms, lifts, smoothes and softens the skin.
- Particularly useful for fragile and thinning skin
- All natural cruelty free ingredients including Collagen, Hyaluronic Acid and Sea Buckthorn CO2 extracts which are well known for their cosmetic uses in anti-wrinkle preparations and pigmentation spot treatments
- MSM (organic sulphur) provides deep nourishment to the skin cells and leaves your skin feeling smooth and silky
- Contains silver which has anti-bacterial, anti-fungal and anti-septic qualities and promotes healing
- Ingredients derived from plants, fermentation processes and minerals only— chemical free, cruelty free skincare

Silver-MSM Regeneration 5in1 Cream, unique care for mature, stressed and tired skin, it tones, firms, rejuvenates, smoothes and softens the skin. Particularly useful for fragile and thinning skin. Also excellent as a treatment for burns, scarring and cellulite. It is non-fragranced and contains Collagen (from sugar fermentation), Hyaluronic Acid (vegetable source) and Sea Buckthorn CO2 Extracts, all well known for their cosmetic uses in anti-wrinkle preparations and pigmentation spot treatments.

Made with Mullein-, and Pumpkin Seed Oil, which are very effective in strengthening the epidermis, dermis and the underlying connective tissues. We use moisturizing agents based on sugar beets, which provide excellent external hydration and do not draw moisture from the epidermis to the surface. Also contains a generous amount of Provitamin B5 (d-panthenol) and Vitamin E.

MSM content in the Silver-MSM Regeneration cream is not less than 25%. With MicroSilver™ which provides round the clock anti-microbial protection when used twice daily.

Instructions for use:

For best results use twice daily 12 hours apart.

Preparing the skin with one of our Silver-MSM cleansing products before applying Regeneration Cream 5in1 enhances its results further.

Ingredients: Purified Water, MSM (Methyl Sulphonyl Methane), Cetearyl Glucoside, Provitamin B5, Jojoba Oil, Collagen (from yeast extract), Cetyl Alcohol (vegetable based wax), Thistle Oil (carthamus tinctorius), Pumpkin Seed Oil (cucurbita maxima), Mullein Oil (verbascum thapsus), Sodium Hyaluronate, Sea Buckthorn CO2 Extract (hippophae rhamnoides kernel extract [CO2] and hippophae rhamnoides pulp extract [CO2]), Vitamin E, Silver

Silver-MSM Cream Lite

- A lighter version of our original Silver-MSM Cream, made without beeswax and cocoa butter, suitable for use as a day cream
- Less fatty, easily absorbed, non-fragranced cream for all skin types and areas
- Gentle, chemical free, moisturizing skin care product made with MSM, the unique detoxifying skin nutrient
- Contains MicroSilver™, which is scientifically proven to reduce the number of bad bacteria on the skin
- Provides round the clock all natural anti-microbial protection when used twice daily
- Non-steroidal, chemical free, cruelty free skin care.

Our new Silver-MSM Cream Lite is a lighter cream which provides an alternative to our original Silver-MSM Cream, yet has all the benefits. Soothing and hydrating, it does not block the pores and absorbs into skin easily so it is very suitable for use as a day cream.

Silver-MSM Cream Lite is a superb way of applying silver and MSM (Methyl Sulfonyl Methane, a bio-available organic form of sulphur) to the skin. Its all natural ingredients offer all-round antiseptic, anti-bacterial, and anti-fungal action unsurpassed by any skin care products we have seen: The combination of pure MicroSilver™ with cold-pressed oils and MSM powder produces an outstanding cascading antioxidant skin cream, which supports healthy skin renewal by providing organic sulphur deep in the epidermal layers, where it is most needed for cell repair.

MSM is the most overlooked nutrient skin cells need for building flexible, fully functioning cell membranes, making the skin more resilient. Silver has proven anti-microbial properties and trials have shown MicroSilver™ to be very effective as well as safe for long term use. MicroSilver™ particles are pure elemental silver and scientifically proven to release active silver ions for up to 12 hours, so using Silver-MSM Cream Lite twice daily will enhance your skin's natural defenses.

Instructions for use:

For cosmetic uses:

As with all our Silver-MSM skin care products, Silver-MSM Cream Lite is best used after the skin has been cleansed with one of our Silver-MSM Liquid Soaps. An excellent all-round moisturizer Silver-MSM Cream Lite is non-greasy, easily absorbed into the skin and does not leave a sheen on the skin so can be used as a day cream. Provides round the clock all natural anti-microbial protection when used twice daily.

For remedial uses:

Apply to the affected areas generously, let sink in and then cover area if necessary to protect. Because of the purity of the ingredients, the product can be used on damaged skin. Excellent on all problem skin and a remedy for inflammation and itchiness. Silver-MSM Cream Lite is an all-round product: Customers report good results with a wide range of skin complaints. Can be used frequently and as required. Suitable for all ages, including babies and toddlers and safe to use on all areas of the body due to the gentle and chemical free nature of the product.

Ingredients: Purified Water, Cetearyl Glucoside (from Sugar Beet), Proprietary Blend of Cold-Pressed Oils (Rosehip Seed, Jojoba, Sunflower, Apricot Kernel), MSM, Vitamin E, Silver

Silver-MSM Vein Support Cream

- with Horse Chestnut Seed Oil and tincture, traditionally used for varicose veins and spider veins
- acts a venous tonic to strengthen and invigorate the veins.
- **Available non-fragranced or with Indian Rose and Geranium Essential Oils**

Silver and MSM are the basis for all our skin care products. Our Cream contains MicroSilver™ which is clinically proven to have anti-microbial properties and is safe to use long term.

Instructions for use

As with all our Silver-MSM skin care products, Silver-MSM Vein Support Cream is best used after the skin has been cleansed. Silver-MSM Vein Support Cream is very rich and thus sinks into the skin fairly slowly. Massage well into the skin for maximum effectiveness. Can be used regularly on all skin types and areas.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Proprietary Oil Blend (Horse Chestnut Seed, Peach Kernel, Arnica, Evening Primrose, Rosehip Seed, Thistle, Calendula, Comfrey, Sunflower), Cetearyl Glucoside, Calendula CO 2 Extract, Provitamin B5 (d-panthenol), Vitamin A, Vitamin E, Bisabolol, Palmarosa Oil, Geranium Oil, Cinnamyl alcohol, Eugenol, Isoeugenol, Silver

Colloidal Silver 10 ppm

argentum plus Colloidal Silver 10 ppm was first developed by Living Energy Systems in the 1990's. The silver concentration is 10 ppm (parts per million) and the very small size of the silver particles means that in 5 ml, there are more than 200 thousand elemental silver particles present, thus creating a very potent silver effect.

A standardized preparation made from 99.999% pure silver and 100% pure steam-distilled water, this product has a proven track record: regular batch testing since 1998 guarantees safety and efficacy. Additive free. High stability. Non-accumulative. Suitable for vegetarians and vegans.

Instructions: Can be used neat or put into drinking water: Use 5 ml per 200 ml glass of water, stir and drink immediately. Do not use more than 40 ml of this product per day. For surface treatment apply to the affected area and let air dry.

Technical Information :

Ingredients: Steam-Distilled Water, Silver.

Silver concentration: 10 ppm.

Silver content: 50 mcg (microgram) / 5 ml (millilitre) .

Packaged in amber glass with tamper evident closure. Store upright in a dark, cool place. Do not refrigerate.

3 year shelf-life guarantee. 12 months after opening.

Colloidal Silver 25 ppm

argentum plus Colloidal Silver 25 ppm was first developed by Living Energy Systems in 2005. The silver concentration is 25 ppm (parts per million) and the very small size of the silver particles means that in 5 ml, there are more than 200 thousand elemental silver particles present, thus creating a very potent silver effect.

A standardized preparation made from 99.999% pure silver and 100% pure steam-distilled water, this product has a proven track record: regular batch testing since 2005 guarantees safety and efficacy. Additive free. High stability. Non-accumulative. Suitable for vegetarians and vegans.

Instructions: Can be used neat or put into drinking water: Use 5 ml per 200 ml glass of water, stir and drink immediately. Do not use more than 40 ml of this product per day. For surface treatment apply to the affected area and let air dry. For use in eyes, ears or nose use a few drops at a time as often as required and comfortable.

Technical Information :

Ingredients: Steam-Distilled Water, Silver.

Silver concentration: 25 ppm. Silver content: 100 mcg (microgram) / 5 ml (millilitre) .

Packaged in amber glass with tamper evident closure. Store upright in a dark, cool place. Do not refrigerate.

2 year shelf-life guarantee. 12 months after opening.

Silver-MSM 10 liquid

In nature silver and sulfur often occur in the same ore and since ancient times it has been believed that they have a certain affinity and synergistic effects. Silver-MSM Liquid consists of a combination of colloidal silver with 100% pure, food grade organic sulfur. It is produced in a unique process utilizing controlled crystalline coagulation.

The combination of Colloidal Silver and MSM in a single compound increases many times the beneficial effects each substance has on its own. The result is an electro-colloidal solution of colloidal silver and colloidal MSM that has outstanding properties. Additive free. High stability. Non-accumulative. Suitable for vegetarians and vegans

Instructions: Can be used neat or put into drinking water: Use 5 ml per 200 ml glass of water, stir and drink immediately. Do not use more than 40 ml of this product per day. For surface treatment apply to the affected area and let air dry. For use in eyes, ears or nose use a few drops at a time as often as required and comfortable.

Technical Information :

Ingredients: Steam-Distilled Water, Food-Grade MSM (methyl sulphonyl methane; 100% pure), Silver (99.999% pure)

Silver content is 50 mcg (microgram) per 5 ml, MSM content is 1500 mcg per 5 ml.

Packaged in amber glass with tamper evident closure. Store upright in a dark, cool place. Do not refrigerate.

2 year shelf-life guarantee. 12 months after opening.

Silver-MSM 25 liquid

Silver content is 100 mcg (microgram) per 5 ml, MSM content is 6000 mcg per 5 ml.

Packaged in amber glass with tamper evident closure. Store upright in a dark, cool place. Do not refrigerate.

2 year shelf-life guarantee. 12 months after opening.

Silver-MSM Acne Complete Care Range

- products for both acute outbreaks and ongoing everyday care

Instructions for use:

All the products in the Silver-MSM Acne Range work individually for remedial purposes. But we believe that these three products will always give better results when used in combination together.

Acne Soap can be used twice daily but we recommend using sparingly, even small amounts will be effective without a lot of foam. Put small amount into wet hands, massage into skin gently, let sink in and rinse off with plenty of warm water after 1 minute. Follow up with Acne Serum or Acne Lotion.

The Acne Serum is most likely to be helpful in acute outbreaks. Apply good amount of Acne Serum on affected areas at least twice daily 12 hours apart and let air dry. Acne Serum can be used as often as required and comfortable.

Acne Lotion may be most effective once the skin has stabilized, maintaining results achieved. In this way Acne Lotion completes the acne care regime, applying twice daily is most effective.

Overuse of the Acne Soap and/or Acne Serum can have a drying effect on the skin which might make matters worse. It is important to get cleansing and moisturizing into a balance. Acne Lotion is a non-greasy moisturiser which does not clog the pores and can be used day or night.

Due to the wide variation in acne conditions, you may want to monitor and adjust your use according to what works best for you!

Silver-MSM Lotion for Acne Prone Skin

- Soothing non-oily moisturiser, absorbs very quickly and does not clog the pores
- chemical-free, non-steroidal lotion suitable for everyday long term use
- contains potent skin conditioning compounds from the South American Rainforest
- with MicroSilver™ which is clinically proven to reduce acne causing bacteria (propionibacterium acnes)
- made with generous amounts of MSM, a natural skin nutrient, which has unique cell supporting qualities
- all natural ingredients: No alcohol - No parabens — cruelty free skincare

Silver-MSM Lotion for Acne Prone Skin is an ideal moisturizer for everyday acne care: Lightly fragranced with Roman Chamomile Essential Oil, it is non-greasy, does not clog the pores and is absorbed into the skin very quickly, cooling and hydrating the skin in the process to leave it smoothed and soothed. It contains highly prized active ingredients from the South American rainforests: Acai Oil which promotes skin hydration and regeneration, Andiroba Oil which helps to balance out-of-control sebum production, and Copaiba balsam, which reduces inflammation and skin congestion.

Our lotion contains MicroSilver™, shown to be a very effective anti-microbial agent against acne causing bacteria and safe for long term use. MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours, so using Silver-MSM Acne Lotion at least twice daily enhances your skin's natural defenses.

Instructions for use:

Using Silver-MSM Lotion for Acne Prone Skin twice daily gives around the clock results, but it can be used more often if required. It may work best with other Silver-MSM acne products for acute cases. For best results wash skin first before applying.

Ingredients: Purified Water, MSM, Cetearyl Glucoside, Proprietary Oil Blend (Thistle, Evening Primrose, Apricot, Almond, Rosehipseed, Acai, Andiroba, Jojoba), Copaiba Balsam, Xanthan Gum, Provitamin B5, Vitamin E, Vitamin A, Bisabolol, Roman Chamomile, Silver

Silver-MSM Serum for Acne Prone Skin

- chemical-free, non-steroidal Serum for Acne Prone Skin is suitable for sensitive skin and frequent use
- unique blend of twelve natural active ingredients designed to soothe the skin and restore balance in all types of acne
- contains potent skin conditioning compounds from the South American rainforest to strengthen skin's natural resilience
- with MicroSilver™ which is anti-microbial and scientifically proven to reduce acne causing bacteria (propionibacterium acnes)
- made with generous amounts of MSM, a natural skin nutrient, which has unique cell supporting qualities
- all natural ingredients: No alcohol - No SLS/SLES - No Parabens. Cruelty free skincare. Available in 50 ml and 100 ml (with treatment pump dispenser).

Silver-MSM Serum for Acne Prone Skin is formulated with many natural active ingredients which can reduce inflammation of the skin caused by bacteria (propionibacterium acnes). Removing the bacteria greatly reduces skin eruptions. The plant extract components help to re-balance and regulate sebum production. Rosemary oil and Lavender oil have strong anti-bacterial and anti-oxidant properties, while Calendula oil and Comfrey oil help rebuild damaged skin cells. Rare and more unusual ingredients are sourced from the South American rainforests: Acai Oil promotes skin hydration and regeneration, Andiroba Oil helps to balance out-of-control sebum production, and Copaiba balsam reduces inflammation and skin congestion.

Clinical trials have shown MicroSilver™, which is used in Acne Serum, to be a very effective anti-microbial agent against acne causing bacteria and safe for long term use. MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours, so using Silver-MSM Acne Serum at least twice daily enhances your skin's natural defenses. In acute outbreaks, it can be used more often.

Instructions for use:

For best results, clean skin before using. Apply good amount of Acne Serum on affected areas at least twice daily 12 hours apart and let air dry. With acute outbreaks Acne Serum can be used as often as required and comfortable.

Ingredients: Purified Structured Water, MSM (Methyl Sulphonyl Methane), Xanthan Gum, Thistle Oil, Comfrey Oil, Sunflower Oil, Rosemary Oil, Lavender Oil, Acai Oil , Andiroba Oil, Copaiba Balsam, Provitamin B5 (d- panthenol), Bisabolol, Silver.

TRIPLE STRENGTH

Silver-MSM Serum for Acne Prone Skin

- Now available in a triple strength version for stubborn conditions and sensitive skin damaged by steroidal and anti-biotic treatments
- Higher skin conditioning oil content supports mixed and combination skin
- reduces inflammation by removing bacteria and re-balances sebum production, gentle to skin
- MSM (organic sulphur) provides deep nourishment to the skin cells to aid healthy skin renewal
- Contains 3 times as much MicroSilver™ for increased anti-microbial protection, MicroSilver™ is scientifically proven to reduce acne causing bacteria (propionibacterium acnes)
- all natural ingredients: No alcohol - No SLS/SLES - No Parabens - Suitable for vegetarians and vegans

Triple Strength Silver-MSM Serum for Acne Prone Skin has been designed as an alternative for the occasional case where the original product did not deliver the expected/hoped for results. Tripled levels of the natural active ingredients offer a stronger tool for stubborn and trickier conditions. Otherwise, this product contains the same ingredients as our original serum.

It is formulated with many natural active ingredients which can reduce inflammation of the skin caused by bacteria (propionibacterium acnes). Removing the bacteria greatly reduces skin eruptions. The plant extract components in the serum help to re-balance and regulate sebum production. Rosemary oil and Lavender oil have strong anti-bacterial and anti-oxidant properties, while Calendula oil and Comfrey oil help rebuild damaged skin cells.

Rare and more unusual ingredients are sourced from the South American rainforests: Acai Oil promotes skin hydration and regeneration, Andiroba Oil helps to balance out-of-control sebum production, and Copaiba balsam reduces inflammation and skin congestion. MSM is an organic form of sulphur and one of the most overlooked nutrients that skin cells need for healthy renewal, building flexible, fully functioning cell membranes.

Clinical trials have shown MicroSilver™, which is used in our serum, to be a very effective anti-microbial agent against acne causing bacteria and safe for long term use. MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours, so using Triple Strength Silver-MSM Acne Serum at least twice daily enhances your skin's natural defenses. In acute outbreaks, it can be used more often.

Instructions for use:

For best results, clean skin first with Silver-MSM Soap for Acne Prone Skin.

Apply good amount of Acne Serum on affected areas at least twice daily 12 hours apart and let air dry. With acute outbreaks Acne Serum can be used as often as required and comfortable.

Customers report that the serum is a good base for makeup application.

Ingredients : Purified Water, MSM, Proprietary Oil Blend (Thistle, Comfrey, Sunflower, Acai, Andiroba, Rosemary, Lavender), Provitamin B5, Copaiba Balsam, Xanthan Gum, Calendula CO2 Extract, Bisabolol, Vitamin E (Tocopherol), Vitamin A (Retinol Palmitate), Silver

Silver-MSM Soap for Acne Prone Skin

- gentle, yet effective cleansing liquid soap suitable for even highly sensitive skin
- combines silver, which has anti-bacterial properties with MSM for healthy skin renewal
- contains ingredients which can reduce inflammation and re-balance sebum production in the pores
- made with rare materials from South American rainforests: Acai and Andiroba oil and Copaiba balsam
- all natural ingredients: No alcohol - Chemical free, cruelty free skincare

Silver-MSM Acne Soap is a mild liquid soap, suitable for even highly sensitive skin. It is formulated with ingredients which can reduce inflammation of the skin caused by micro organisms (propionibacterium acnes). Removing the bacteria greatly reduces skin eruptions. It also reduces the 'oiliness' of the skin effectively by removing excess sebum and unclogging pores.

The rare plant extract components in Silver MSM Soap for Acne Prone Skin are sourced from the South American rainforests: Acai Oil promotes skin hydration and regeneration, Andiroba Oil helps to balance out-of-control sebum production, and Copaiba balsam reduces inflammation and skin congestion.

Silver is anti-bacterial, reducing the acne bacterium (propionibacterium acnes) present on the skin. MSM is an organic form of sulphur and one of the most overlooked nutrient skin cells need for healthy renewal, building flexible, fully functioning cell membranes. This soap is the first step in successful care for acne prone skin.

Instructions for use:

Acne Soap can be used twice daily but we recommend using reasonably sparingly, even small amounts will be effective without a lot of foam. Put small amount into wet hands, massage into skin gently, let sink in and rinse off after 1 minute. Follow up with Acne Serum or Acne Lotion for best results.

Ingredients: Purified Structured Water, MSM (Methyl Sulphonyl Methane), Mipa Laureth Sulphate (from coconuts and palm kernel oil), Cocoamidopropyl Betaine (from coconuts), Coco Glucoside, Glyceryl Oleate, Acai Oil (euterpe oleraca), Andiroba Oil (carapa guianensis), Copaiba Balsam (copaiba officinalis), Lactic Acid (from fermented sugar), Silver.

Silver-MSM Lichen Planus Gel

- all natural skin care product for the symptoms of Lichen Planus
- all natural ingredients: Not medicated—No Parabens or Phthalates - No Petroleum based ingredients - Cruelty free- Suitable for vegetarians and vegans

•
Deeply nourishing, moisturizing and soothing to the skin at the same time, Silver-MSM Lichen Planus Gel is non-occlusive (does not clog the pores leaving the skin breathing freely), has detoxifying properties and is suitable for all skin types and areas. Contains MicroSilver™, a superior anti-microbial agent creating a powerful silver effect. Very effective protection and safe for long term use.

Instructions for use: After cleansing, apply gel to the affected areas and let sink in naturally. It is very well absorbed. We suggest using it twice a day, 12 hours apart, as the silver in the product has a depot function: It releases silver ions for a period of up to twelve hours, so this way you have silver's anti-microbial protection around the clock.

Ingredients: Purified Water, Aloe Vera, Methyl Sulphonyl Methane (MSM), Proprietary Oil Blend (Rosehip Seed, Comfrey, Evening Primrose, Hempseed, Sunflower), Provitamin B5 (d-panthenol), Evening Primrose CO2 Extract, Vitamin E (tocopherol), Vitamin A (Retinol Palmitate), Bergamot (adaptagen-free), Bisabolol (Chamomille Extract), Silver

Silver-MSM Prebiotic Skin Serum

Skin flora treatment - all natural anti-microbial skincare

- Effective treatment for skin prone to inflammation and irritation, such as acne, eczema, dermatitis, psoriasis and acne rosacea
- Healthy skin is naturally populated by friendly bacteria which keep the bad ones at bay
- Prebiotic inulin and alpha-glucans boosts the good skin flora, addressing skin flora imbalances
- With pure elemental MicroSilver™, which has powerful, protective anti-microbial properties
- MicroSilver™ is scientifically proven to reduce bad bacteria on the skin for up to 12 hours

Silver-MSM Prebiotic Skin Serum helps to maintain the skin's natural defences: Healthy skin is naturally populated by friendly bacteria, when this balance is disturbed, the bad bacteria can take over and cause skin irritation and inflammation. We can then get caught in a vicious cycle of scratching or squeezing which opens the skin up to further bacterial infection and a worsening skin condition.

MicroSilver™ is scientifically proven to kill the bad bacteria it comes into contact with on the skin (which are gram negative), allowing the healthy skin flora to thrive. This effect is further enhanced by the added Prebiotic compounds (inulin and alpha-glucans, derived from Chicory) which boost the good skin flora.

MSM has skin detoxifying qualities and supports the structural integrity of the skin cells, building healthy, flexible and fully functioning cell membranes. Ingredients derived from plants and minerals only - Chemical free, cruelty free skincare

Instructions for use: As with all Silver-MSM products, they work better when the skin is cleansed first. For optimal results, we recommend the use of one of our Silver-MSM Liquid Soaps. When applying the Skin Serum, remember a little goes a long way. The product takes a few minutes to sink in leaving a thin, protective film on the skin which does not clog the pores, is dry to the touch and is an excellent basis for your make-up regime. Suitable for all skin types and areas. Use twice daily 12 hours apart for round the clock anti-microbial protection. Silver-MSM Prebiotic Skin Serum is a great all-round treatment for bacterial related skin conditions such as acne, eczema, dermatitis, psoriasis and acne rosacea. It is also beneficial for sensitive and hyper sensitive skin, ie rosacea and lichen planus, because it calms and soothes the skin and reduces itchiness. While the anti-microbial effect is likely to be noticeable on skin after a few days, the rebalancing of the skin flora may take a few weeks. This product can be used long term to maintain the health of your skin.

Ingredients:

Purified Water, Cetearyl Glucoside, Thistle Oil, Sunflower Oil, Jojoba Oil, MSM (methyl sulfonyl methane = organic sulfur), Vitamin E (tocopherol), Inulin (from Chicory), Alpha-glucan oligosaccharide (from Chicory), Allantoin (from Comfrey), Chamomile CO2 Extract, Xanthan Gum, Silver

Silver-MSM Dry Eczema Lotion

- a non-steroidal all natural skin care product for the symptoms of dry eczema
- relieves inflammation and itching, while deeply nourishing, hydrating and soothing the skin
- Non-fragranced, chemical free, cruelty free skincare, all natural formulation

Our lotion contains MicroSilver™, a superior anti-microbial agent creating a powerful silver effect. Very effective and safe for long term use, MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours. The use of the highest quality cold pressed oils further enhances the nourishing properties of Silver-MSM Lotion for skin prone to Dry Eczema.

Instructions for use

For best results cleanse the affected areas of the skin first. Apply a good amount to the affected areas and let the lotion sink in naturally. It is very well absorbed and does not clog the pores. In acute cases the Dry Eczema Lotion can be used as often as comfortable. It does not have a thinning effect on the skin; quite the opposite, it is therefore suitable for maintaining your skin health long-term.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Proprietary Oil Blend (Borage, Rosehip, Moringa, Thistle, Apricot Kernel, Sweet Almond, Jojoba), Cetearyl Glucoside, Mango Butter, Shea Butter, Cetyl Alcohol, Bisabolol, Provitamin B5, Vitamin E, Vitamin A, Silver

Silver-MSM Psoriasilver Cream with Australian Tea Tree

- non-chemical, non-steroidal all natural skin care product to maintain healthy skin renewal in psoriasis
- relieves soreness and itchiness associated with psoriasis and does not thin the skin like steroid preparations can
- Made with Australian Tea Tree essential oil

This cream contains MicroSilver™, a superior anti-microbial agent creating a powerful silver effect. Very effective and safe for long term use, MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours. The use of the highest quality Australian Tea Tree oil further enhances the anti-septic properties of Silver-MSM Psoriasilver Cream.

Instructions for use: Cleansing is very important in psoriasis care: We suggest you use our Silver-MSM Exfoliating Cleanser (non-fragranced) or Silver-MSM Tea Tree Soap prior to applying the cream twice daily. Let the cream sink in naturally. It is well absorbed. In acute cases the Psoriasilver Cream can be used as often as comfortable, as it does not have a thinning effect on the skin.

Please note: Tea Tree Essential oil may cause skin sensitivity in some people.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Urea, Apricot Kernel Oil, Sweet Almond Oil, Cetearyl Glucoside, Zinc Oxide, Glycerin, Provitamin B5 (d-panthenol), Cetyl Alcohol (vegetable based wax), Vitamin E (tocopherol), Vitamin A (retinol palmitate), Jojoba Oil, Tea Tree Oil (melaleuca alternifolia), Bisabolol (Chamomille Extract), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Psoriasilver Lotion

- non-chemical, non-steroidal all natural skin care product to maintain healthy skin renewal in psoriasis
- relieves soreness and itchiness associated with psoriasis and does not thin the skin like steroid preparations can
- Non-fragranced, chemical free, cruelty free skincare, all natural formulation

Our lotion contains MicroSilver™, a superior anti-microbial agent creating a powerful silver effect. Very effective and safe for long term use, MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours. The use of the highest quality cold pressed oils further enhances the nourishing properties of Silver-MSM Psoriasilver Lotion.

Instructions for use

Cleansing is very important in psoriasis care: We suggest you use our Silver-MSM Tea Tree Soap prior to applying the lotion twice daily. Let the lotion sink in naturally. It is very well absorbed. In acute cases the Psoriasilver Lotion can be used as often as comfortable. It does not have a thinning effect on the skin; quite the opposite.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Aloe Vera, Proprietary Oil Blend (Borage, Evening Primrose, Rosehip, Hemp, Thistle, Jojoba), Provitamin B5 (d-panthenol), Vitamin E (tocopherol), Vitamin A (retinoic acid), Silver

Silver-MSM Lotion

- use daily for sensitive and ultra-sensitive skin or as a remedy for damaged and irritated skin
- light and hydrating anti-bacterial, anti-fungal and anti-septic lotion for all skin types and areas, non fragranced
- all natural, chemical free, skin care product made with MSM, the unique detoxifying skin nutrient

•
Made with MicroSilver™, pure elemental silver clinically proven to release active silver ions for up to 12 hours, so using Silver-MSM Lotion twice daily enhances your skin's natural defenses. Safe for frequent and long term use.

Instructions for use:

For cosmetic uses: As with all our Silver-MSM skin care products, Silver-MSM Lotion is best used after the skin has been cleansed. Silver-MSM Lotion is light, non-occlusive (does not clog the pores), sinks into the skin quickly and is gently moisturizing and hydrating. Suitable for frequent every day care on all skin types and areas.

For remedial uses: Apply to the affected area sparingly (a little goes a long way!) and then cover area if necessary to protect. Repeat as required and comfortable. For 24 hour all-round protection use at least twice daily 12 hours apart. Because of the purity of the ingredients, the product can be used on open wounds, burns, cuts and grazes. Also useful for all kinds of insect bites and stings and as a remedy for itchiness generally.

Ingredients: Purified Water, 100% pure organic sulphur (methyl sulphonyl methane, MSM), Aloe Vera, Apricot Kernel Oil, Sweet Almond Oil, Thistle Oil, Jojoba Oil, Vitamin A, Vitamin E, Silver

Silver-MSM Dry Skin Lotion

- all natural skin care product for the symptoms of dry and cracked skin
- contains Moringa Oil, prized for its anti-inflammatory and moisturizing properties

This creamy lotion absorbs very well into the skin allowing pores to breathe freely and leaving the skin feeling silky and soft. Relaxes dry and stressed skin, reduces irritation, detoxifies, cools, nourishes and hydrates your skin. Mango- and Sheabutter is added for extra richness.

Instructions for use

With dry skin, your cleansing routine is very important. Avoid soaps that dry out your skin further. The Silver-MSM Soap range offers products that contain a natural compound that restores the lipid layer of the skin.

Apply a good amount of the Dry Skin Lotion to the affected areas and let the lotion sink in naturally. It is very well absorbed and does not clog the pores. In acute cases Dry Skin Lotion can be used as often as comfortable. It is also suitable for maintaining your skin health long-term.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Proprietary Oil Blend (Borage, Rosehip, Moringa, Thistle, Apricot Kernel, Sweet Almond, Jojoba), Cetearyl Glucoside, Mango Butter, Shea Butter, Cetyl Alcohol, Bisabolol, Provitamin B5, Vitamin E, Vitamin A, Silver

Seb Derm Cream Non-Fragranced

- A very gentle and nourishing, non-steroidal cream to help manage seborrheic dermatitis
- Combines the anti-microbial properties of MicroSilver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking
- This non-greasy cream helps to combat seborrheic dermatitis flare-ups by moisturizing, soothing, and softening the skin
- Suitable for use on all skin types, including young children and babies, and for those prone to skin irritations. No burning or stinging on application
- All natural ingredients – No parabens, paraffins, or petrochemicals – No tar – No steroids – Cruelty-free – Made in Britain

Our non-fragranced Silver-MSM Seb Derm Cream is a very gentle, non-steroidal cream designed to help manage seborrheic dermatitis. The mild yet effective formula is suitable for use on all skin types and areas, and for people of all ages, including young children and babies. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient. MicroSilver helps to treat inflammation, calming itching for up to 12 hours, while MSM supports healing, promotes skin regeneration and reduces flaking. Added urea softens the skin, and chamomile extract helps to soothe flare-ups. Zinc oxide has a natural anti-bacterial and anti-fungal action. Made with a rich blend of cold-pressed oils, this is a non-greasy, easily-absorbed cream which nourishes and moisturizes. This product has no reported side-effects, such as stinging, itching, or burning on application. It is safe for long-term use, and may be used as often as required. Made from all natural ingredients, our cream is paraffin-free, petroleum-free, paraben-free, glycerine-free, tar-free, and steroid-free. Not tested on animals and suitable for vegans. Also available with added Australian Tea Tree oil for increased potency. Most effective when used in combination with our Silver-MSM Seb Derm Soap. To view our full Silver-MSM Seb Derm care range, please visit the argentum plus Amazon store.

Instructions for use: Apply to clean skin twice daily, 12 hours apart.

Ingredients: Purified Water, Methyl Sulphonyl Methan (MSM), Thistle Oil, Apricot Kernel Oil, Sweet Almond Oil, Cetearyl Glucoside, Urea, Zinc Oxide, Provitamin B5 (d-panthenol), Cetyl Alcohol (vegetable-based wax), Jojoba Oil, Vitamin E (tocopherol), Bisabolol (Chamomile Extract), Silver

Seb Derm Cream with Australian Tea Tree

- A gentle but effective non-steroidal cream to help manage seborrheic dermatitis
- Combines the anti-microbial properties of MicroSilver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking
- Added Australian Tea Tree essential oil provides a natural anti-fungal action
- This non-greasy cream helps to combat seborrheic dermatitis flare-ups by moisturizing, soothing, and softening the skin
- All natural ingredients – No parabens, paraffins, or petrochemicals – No tar – No steroids – Cruelty-free – Made in Britain

Our Silver MSM Seb Derm Cream with Australian Tea Tree is an effective, non-steroidal cream designed to help manage seborrheic dermatitis. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient. MicroSilver helps to treat inflammation, calming itching for up to 12 hours, while MSM supports healing, promotes skin regeneration, and reduces flaking. Added Australian Tea Tree oil and Zinc oxide provide a natural anti-fungal action. Urea softens the skin, and chamomile extract helps to soothe flare-ups. Made with a rich blend of cold-pressed oils, this is a non-greasy, easily absorbed cream which nourishes and moisturizes. Made from all natural ingredients, our Seb Derm Cream is paraffin-free, petroleum-free, paraben-free, glycerine-free, tar-free, and steroid-free. Not tested on animals and suitable for vegans. Most effective when used in combination with our Silver-MSM Seb Derm Soap. To view our full Silver-MSM Seb Derm care range, please visit the argentum plus Amazon store.

NOTE: This formula contains Australian Tea Tree essential oil, which increases the efficacy of the product, but can be sensitizing. If you have very sensitive skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our non-fragranced Silver-MSM Seb Derm Cream. Likewise, when using this cream long term, we recommend swapping out each third bottle for the non-fragranced version, to allow the skin a rest period.

Instructions for use: Apply to clean skin twice daily, 12 hours apart.

For people with sensitive skin, there is a non-fragranced version available, without Tea Tree Oil.

Ingredients: Purified water, Methyl Sulphonyl Methane (MSM), Thistle Oil, Apricot Kernel Oil, Sweet Almond Oil, Cetearyl Glucoside, Urea, Zinc Oxide, Provitamin B5 (d-panthenol), Cetyl Alcohol (vegetable based wax), Jojoba Oil, Vitamin E (tocopherol), Tea Tree Oil (melaleuca alternifolia), Bisabolol (Chamomile Extract), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Seb Derm Lotion

- is a nourishing, hydrating and anti-inflammatory skin treatment
- effective anti-bacterial, anti-fungal and anti-septic care product to help reduce itching and dryness
- contains natural healing compounds including silver, organic sulphur, zinc, urea and tea tree
- For best results use with one of our Silver-MSM soaps or body wash
- Non-fragranced, chemical free, cruelty free skincare, all natural formulation

Silver-MSM Seb Derm Lotion is an all natural, yet very effective anti-bacterial, anti-fungal and anti-septic skin care product suitable for all skin types. Containing ingredients derived only from plants and minerals, it is a soothing, nourishing, gently moisturising and non-greasy lotion designed to comprehensively treat the symptoms associated with dermatitis. Very economical, absorbs easily and a little goes a long way!

Zinc is known to be useful for a wide range of skin conditions, while Urea has been shown to be of great value in addressing seborrhoeic dermatitis and gives great results with reducing dryness, itchiness and redness. Silver, organic sulphur (MSM) and Tea Tree Oil have very effective anti-bacterial, anti-fungal and anti-septic properties, and are also anti-inflammatory and promote healing.

Our lotion contains MicroSilver™, a superior anti-microbial agent creating a powerful silver effect. Very effective and safe for long term use, MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours.

MSM in particular is one of the most overlooked skin nutrient: It delivers sulphur to where it is most needed, the skin cell producing epidermal layers, thus helping to build healthy skin cells and leaving your skin soft and supple.

Instructions for use

Seb Derm Lotion is non-greasy and non-occlusive, leaving the skin to breathe freely. For best results cleanse the affected areas of the skin first with Silver-MSM Seb Derm Soap or Silver-MSM Seb Derm Shower Gel.

Lotion can be used as often as necessary, we recommend applying twice daily 12 hours apart.

Suitable for all skin types, but please note that Tea Tree Essential oil may cause skin sensitivity in some people.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Urea, Apricot Kernel Oil, Sweet Almond Oil, Cetearyl Glucoside, Zinc Oxide, Glycerin, Provitamin B5 (d-panthenol), Cetyl Alcohol (vegetable based wax), Vitamin E (tocopherol), Vitamin A (retinol palmitate), Jojoba Oil, Tea Tree Oil (melaleuca alternifolia), Bisabolol (Chamomille Extract), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Seb Derm Shampoo

- mild, yet very efficient and economical for all hair types
- designed to help with symptoms associated with dermatitis
- No SLS/SLES - Chemical free, cruelty free skincare - all natural formulation

Contains Tea Tree Oil, which has been shown to be of great value in addressing seborrheic dermatitis. Wild crafted Tea Tree Oil from Australia is chosen for its optimum quality.

Instructions for use:

Put a reasonable sized amount of Shampoo into wet hands and lather up. Wash wet hair and scalp thoroughly and rinse off. For best results repeat the process (you will need less shampoo this time) and afterwards use Silver-MSM Seb Derm Conditioner on hair and scalp.

Please note: Tea Tree Essential Oil may cause skin sensitivity and / or allergic reactions in some people.

Ingredients: Purified Water, Mipa Laureth Sulphate, Cocoamidopropyl Betaine, MSM (Methyl Sulphonyl Methane), Coco Glucoside, Glyceryl Oleate, Guar Gum Powder, Provitamin B5 (d-panthenol), Bisabolol (chamomile extract), Tea Tree Oil, Silver

Silver-MSM Seb Derm Shampoo Non-Fragranced

- A gentle, non-drying shampoo for scalps prone to seborrheic dermatitis and dandruff
- Combines the anti-microbial properties of silver, which helps to reduce itching and inflammation, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- Cleanses and conditions, moisturizing and soothing the scalp, and leaving hair soft and manageable
- Very mild, non-fragranced formula suitable for all hair types. Safe for use on children and babies, and for treating cradle cap. Suitable for those prone to skin irritations. No stinging or burning on application
- All natural ingredients – No SLS/SLES – No parabens or petrochemicals – No coal tar – No steroids – Cruelty-free – Made in Britain

Our non-fragranced Silver-MSM Seb Derm Shampoo has been specially designed to provide a very gentle, cleansing treatment for scalps prone to seborrheic dermatitis and dandruff. It combines the anti-microbial properties of silver, which helps to combat itching and inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking. Based on a mild detergent derived from vegetable and coconut oils, this non-drying shampoo cleanses without stripping the hair of its natural oils, leaving it soft and manageable. Added glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin and scalp after cleansing, while also conditioning the hair and improving shine. Provitamin B5 nourishes, while chamomile extract protects and calms sore skin. This very mild formula is safe for long term use. There are no reported side effects, such as stinging, itching or burning in application. It is suitable for children and babies, and may be used to manage cradle cap and infant scalp eczema. Suitable for those with sensitive skin, and pre-existing skin irritations. Made from all natural ingredients, our non-fragranced Seb Derm Shampoo is paraffin-free, petroleum-free, paraben-free, tar-free, and steroid-free. Not tested on animals and suitable for vegans. Also available with added Australian Tea Tree oil for increased potency. Most effective when used in combination with our Silver-MSM Seb Derm Conditioner. To view our full Silver-MSM Seb Derm care range, please visit the argentum plus Amazon store.

Instructions for use: Work a small amount into a lather and wash, rinse well and repeat. For best results, use with our Silver-MSM Seb Derm Conditioner Non-fragranced.

Ingredients: Purified Water, Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Methyl Sulphonyl Methane (MSM), Coco Glucoside, Glyceryl Oleate, Guar Gum Powder, Provitamin B5 (d-panthenol), Bisabolol (Chamomile Extract), Silver

Silver-MSM Seb Derm Shower Gel and Body Wash

- Mild and kind to the skin, yet very powerful and effective
- calming and soothing for irritated skin and scalp, reduced itchiness with less inflammation.

Silver-MSM Seb Derm Shower Gel and Body Wash is a powerful anti-bacterial, anti-fungal and anti-septic care product suitable for frequent use on all skin and hair types. Containing all natural ingredients derived only from plants and minerals, it delivers a mild cleaning action, yet deals with the symptoms associated with seborrhoeic dermatitis very effectively.

Instructions for use:

Shake bottle well before each use. Put a reasonable amount into wet hands and lather up. Wash wet hair, scalp and body and rinse off. For best results repeat the process and afterwards use Silver-MSM Seb Derm Conditioner on hair and scalp and/or Silver-MSM Seb Derm Lotion on the body.

Ingredients : Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil (melia azadirata), Guar Gum Powder, Citronella Oil (cymbopogon winterianus), Lemon Tea Tree Oil (leptosperum petersonii), Lactic Acid (veg. source), Tea Tree Oil (melaleuca alternifolia), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Seb Derm Shower Gel and Body Wash Non-Fragranced

- A very mild yet effective shower gel and body wash designed to support the daily care of skin prone to seborrheic dermatitis
- Combines the anti-microbial properties of silver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- Cleanses and conditions, moisturizing and soothing the skin, and helping to reduce redness
- Suitable for all skin types, including children and babies, and those prone to skin irritations
- All natural ingredients – No SLS/SLES – No parabens, paraffins, or petrochemicals – No coal tar – No steroids – Cruelty-free – Made in Britain

Our non-fragranced Silver-MSM Seb Derm Shower Gel and Body Wash has been designed to support the daily care and management of skin prone to seborrheic dermatitis. It combines the anti-microbial properties of silver, which helps to combat inflammation and reduce redness, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking. Based on a mild detergent derived from vegetable and coconut oil, this gentle, non-drying wash cleanses and conditions. It relieves itching, and leaves skin feeling soft and supple. Added lactic acid gently exfoliates, while glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin after cleansing. Neem oil nourishes, restores moisture, and forms a barrier to protect the skin. This very mild formula is safe for long term use. There are no reported side effects, such as stinging, itching, or burning on application. It is suitable for children and babies, and for those with sensitive skin and pre-existing skin irritations. Made from all natural ingredients, our non-fragranced Seb Derm Shower Gel is paraffin-free, petroleum-free, paraben-free, tar-free, and steroid-free. Not tested on animals and suitable for vegans. Also available with added Australian Tea Tree oil for increased potency. Most effective when used in combination with our Silver-MSM Seb Derm Lotion. To view our full Silver-MSM Seb Derm care range, please visit the argentum plus Amazon store.

NOTE: This product is non-fragranced, but the added neem oil has a slight woody scent.

Instructions for use: Work a small amount into a lather and wash, rinse well and repeat for best results.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil, Guar Gum Powder, Lactic Acid (vegetable source), Silver

Silver-MSM Foot Balm

Our lotion contains MicroSilver™, a superior anti-microbial agent creating a powerful silver effect. Very effective and safe for long term use, MicroSilver™ particles are clinically proven to release active silver ions for up to 12 hours.

Ingredients: Purified Water, MSM (Methyl Sulphonyl Methane), Cetearyl Glucoside, Provitamin B5 (d- panthenol), Cetyl Alcohol (vegetable based wax), Apricot Kernel Oil, Sweet Almond Oil (prunus amygdalus), Jojoba Oil (simmondsia chinensis), Carbamide (urea), Zinc Oxide, Glycerine, Vitamin E (tocopherol), Vitamin A (retinol palmitate), Bisabolol, Tea Tree Oil (melaleuca alternifolia), Citronellol, D-Limonene, Geraniol, D-Limonene, Silver

Silver-MSM Foot Bath

Softening the skin and improving nails and nailbeds, it is also an ideal preparation for a pedicure.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Castor Oil, Coconut Oil, Mipa Laureth Sulphate, Laureth 4, Cocoamide DEA, Polysorbate 20, Cocoamidopropyl Betaine, Decyl Glucoside, Lemon Myrtle Oil, Lemon Scented Tea Tree Oil, Cinnamal, Cinnamyl alcohol, Eugenol, Isoeugenol, Silver

Instructions for use: Shake Silver-MSM Foot Bath well before use. Add 2 capfuls to 5 litres of water. Relax and soak feet. Follow up foot care routine by generously applying Silver-MSM Foot Balm. Silver-MSM Foot Balm can be used as required on its own.

Silver-MSM Shampoo

- non-fragranced shampoo suitable for all hair types.
- made with a generous amount of added MSM, leaving your scalp feeling nourished.
- useful in managing problem scalp and hair follicle conditions
- all natural ingredients: No alcohol—No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients
-

This is the original Silver-MSM Shampoo and the basis for all our shampoos. Contains Silver, which has broadspectrum anti-bacterial and anti-septic properties. Mild yet very effective and economical, it is suitable for use on all hair types.

Instructions for use:

Put a reasonable sized amount into wet hands, lather up and wash hair and scalp thoroughly. Rinse well. For best results repeat the process (you will need less shampoo this time) and afterwards use a Silver-MSM Conditioner on hair and scalp. Suitable for frequent use.

Ingredients : Purified Water, MSM (Methyl Sulphonyl Methane), Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Guar Gum Powder, Provitamin B5 (d- panthenol), Bisabolol (chamomile extract), Lactic Acid (vegetable origin), Silver

Silver-MSM Shower Gel 2in1 for Hair and Body

- Mild, yet effective all-in-one care product, suitable for frequent use on hair, scalp and body
- gently cleansing and conditioning and reduces irritation and itching
- all natural ingredients: No alcohol—No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients

Made with Neem Oil from India, it has anti-fungal, anti-microbial and anti-inflammatory properties and is famed for its anti-dandruff use. Fragranced with Lemon Tea Tree Oil, Silver-MSM Shower Gel 2in1 leaves you refreshed and energised after each and every use.

Instructions for use:

Shake bottle well before each use. Put a reasonable sized amount into wet hands and lather up. Wash wet hair, scalp and body and rinse off. For best results repeat the process again.

Ingredients : Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil (*melia azadirata*), Guar Gum Powder, Citronella Oil (*cymbopogon winterianus*), Lemon Tea Tree Oil (*leptosperum petersonii*), Lactic Acid, Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Soap

- mild, yet very effective and economical
- Suitable for frequent use on all body areas and skin types
- Made with added MSM, leaving your skin soft and supple
- all natural ingredients: No alcohol—No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients
-

This is the original Silver-MSM Soap and the basis for all our soaps. Contains Silver, which has broadspectrum anti-bacterial and anti-septic properties. Silver-MSM Soap is non-fragranced, but you can create your own unique fragrance if you wish: Just add 10-15 drops of your chosen essential oils per 100 ml to the soap and shake the bottle well.

Instructions for use:

Put a small amount into wet hands, lather up skin and wash thoroughly. Rinse well. Suitable for frequent use.

Ingredients : Purified Water, Mipa Laureth Sulphate (from Coconut- and Palm Kernel Oil), Cocoamidopropyl Betaine (from Coconut Butter), MSM (Methyl Sulphonyl Methane), Coco Glucoside, Glyceryl Oleate, Lactic Acid (from fermented sugar), Silver

Silver-MSM Hair & Scalp 2in1 Shampoo & Conditioner

- specifically designed to address hair follicle related problems
- contains algae extracts that have been shown to support healthy follicle function
- natural anti-bacterial, anti-fungal and anti-septic ingredients, to address underlying inflammation
- all natural ingredients: No alcohol—No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients

Silver-MSM Hair & Scalp Treatment 2in1 is a mild, yet efficient shampoo and moisturising conditioner that is suitable for all hair types. It has been specifically devised to help with maintaining healthy hair follicle function and remedying temporary hairloss, which can be in many cases attributed to underlying inflammation.

Instructions for use:

Put a reasonable sized amount of Silver-MSM Hair & Scalp Treatment 2in1 into wet hands, lather up and wash hair and scalp thoroughly. Rinse well. For best results repeat the process (you will need less shampoo this time).

Ingredients : Purified Water, Methyl Sulphonyl Methane (MSM), Follicle Energiser (pelvetia canaliculata, laminacia digitata), Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Guar Gum Powder, Provitamin B5, Bisabolol (chamomile extract), Lactic Acid, Silver

Silver-MSM Lemon Myrtle Shampoo

- all natural shampoo suitable for normal to oily scalp and hair types
- often used for problem scalp conditions such as seborrheic dermatitis, eczema and psoriasis
- Mild and gentle, yet very efficient and economical - No SLS/SLES, chemical free, cruelty free skincare

Contains Lemon Myrtle Essential Oil which is considered to be a superior anti-fungal and anti-viral agent. Also contains Lemon Scented Tea Tree Oil.

Instructions for use:

Put a reasonable sized amount of Shampoo into wet hands and lather up. Wash wet hair and scalp thoroughly and rinse off. For best results repeat the process (you will need less shampoo this time) and afterwards use Silver-MSM Lemon Myrtle Conditioner on hair and scalp.

Please note: Lemon Myrtle Essential Oil may cause skin sensitivity and / or allergic reactions in some people.

Ingredients: Purified Water, Mipa Laureth Sulphate, Cocoamidopropyl Betaine, MSM (Methyl Sulphonyl Methane), Coco Glucoside, Glyceryl Oleate, Guar Gum Powder, Provitamin B5 (d- panthenol), Bisabolol (chamomile extract), Lemon Myrtle Oil, Lemon Scented Tea Tree Oil, Cinnamal, Eugenol, Isoeugenol, Silver

Silver-MSM Neem 2in1 Shampoo & Conditioner

- contains Neem Oil, traditionally used in India to treat nit infestations
- also contains Citronella essential oil, which is a traditional insect repellent
- shampoo and conditioner in one, Neem 2in1 leaves the hair soft and manageable
- does not sting the eyes and gets the chore of nit combing done more quickly.
- No SLS/SLES - Chemical free, cruelty free skincare, all natural formulation

Silver-MSM Neem 2in1 was originally developed to assist parents dealing with nits in their children's hair. Our customer feedback indicates that using Neem 2in1 regularly not only reduces the time required to get rid of them, but also the incidence of nits returning. Most kids don't mind the slightly woody and citrus smell of Neem 2in1. They also like the fact that it does not sting the eyes and gets the chore of nit combing done more quickly.

Neem 2in1 has also turned out to be an excellent all-round product as a shampoo and conditioner combination and is particularly well suited for dry scalp and hair. It leaves a nice shine to the hair, improves its volume, makes it more manageable, reduces dandruff and the itch in scalps and over time will lead to an improvement in scalp health and hair follicle health. With Neem Oil and Lemon Scented Tea Tree and Citronella Essential Oils.

Instructions for use:

For normal use: Put a reasonable sized amount into wet hands and lather up. Wash wet hair and scalp thoroughly and rinse off. For best results repeat this process again. You will need less this time.

For nit treatment: Some people prefer to leave the product in while nit combing and then rinse off. This may be the option that gives the best results. Neem 2in1 is best used daily while nits are present. Then continue use once or twice a week to avoid re-infestation. For an intensive conditioning anti-nit treatment, you may wish to try our Silver-MSM Intensive Neem Anti-Headlice Conditioner. These products can work very well in combination to intensively treat headlice problems and then maintain the results.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil (melia azadirata), Guar Gum Powder, Citronella Oil (cymbopogon winterianus), Lemon Tea Tree Oil (leptosperum petersonii), Lactic Acid (vegetable source), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Neem Intensive Anti-Headlice Conditioner

- very powerful anti-nit effect, while gentle natural compounds also nourish hair and scalp
- contains no less than 5% organic, cold pressed, non-deodorized Neem Oil.
- all natural ingredients with a light citrus fragrance: Not medicated—No alcohol— No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients - Suitable for vegetarians and vegans

Neem is a traditional Ayurvedic oil used for regeneration of dry & sensitive hair and scalp and is commonly used as an insect repellent. It is believed that its strong smell deters lice and other insects. Citronella Essential Oil is widely used in Scandinavia for the same purpose and gives Silver-MSM Neem Intensive Anti-Headlice Conditioner a punchy and invigorating scent.

Instructions for use:

Apply to wet hair and nit-comb before washing off. Maintain results with Silver-MSM Neem 2in1 Shampoo and Conditioner. Suitable for all hair types, particularly dry hair.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Neem Oil, Natural Moisturizing Complex (Sodium Lactate, Sodium PCA, Urea Hydrolysed Vegetable Protein, Sodium pH), Cetearyl Glucoside, Cetyl Alcohol (veg. based wax), Proprietary Oil Blend (Hempseed, Jojoba, Castor, Coconut, Sunflower, Calendula), Glycerine, Punica Granatum, Provitamin B5 (d-panthenol), Guar Gum Powder, Coco Glucoside, Glyceryl Oleate, Vitamin E, Bisabolol (Chamomille Extract), Citronella Oil, Lemon Scented Tea Tree Oil, Xantham Gum, Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Mollu-Skin Body Wash

- Formulated with natural ingredients which have potent anti-microbial, anti-viral, anti-septic, anti-inflammatory properties
- gentle yet effective all-in-one care product, reduces inflammation and irritation without stinging
- ideal preparation for applying our Mollu-Skin treatments.
- all natural ingredients: No alcohol—No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients

Lemon Myrtle Oil has powerful anti-bacterial, anti-fungal, anti-viral and anti-septic properties. Very useful in treating problem skin and has been found to be helpful in dealing with viral conditions such as molluscum contagiosum, chicken pox, shingles and herpes. Lemon Scented Tea Tree Oil also is a powerful germicidal agent which is very helpful with various skin conditions.

Instructions for use:

Put a reasonable sized amount into wet hands and lather up. Wash wet hair, scalp and body and rinse off. For best results repeat the process again and follow up with a Mollu-Skin treatment.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil (melia azadirata), Guar Gum Powder, Lactic Acid (veg. source), Lemon Myrtle Oil, Lemon Tea Tree Oil (leptosperum petersonii), Cinnamal, Eugenol, Isoeugenol, Silver

Silver-MSM Mollu-Skin Body Wash Non-Fragranced

- A very mild yet effective body wash made from all natural ingredients
- Suitable for young children, and for people with pre-existing skin irritations
- Combines the potent anti-microbial properties of Silver with MSM (organic sulphur), which promotes skin regeneration
- Designed to be used in combination with our other Silver-MSM Mollu-Skin products, all available non-fragranced, or with added Lemon Myrtle
- No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients - No animal testing

Silver-MSM Mollu-Skin Body Wash Non-fragranced is a very mild shower gel suitable for even the most sensitive skin. It is perfect for use on young children, or on skin broken, damaged, or inflamed due to a persistent condition. It combines the potent anti-microbial properties of Silver with MSM (organic sulphur), an important skin nutrient which supports skin regeneration. Together, they can be highly effective in managing molluscum contagiosum. Based on a mild detergent derived from vegetable and coconut oil, this gentle wash soothes itching, and leaves skin feeling soft and supple. Suitable for the whole family. Most effective in combination with our other Silver-MSM Mollu-Skin treatments, all available in either a very mild, non-fragranced form, or with added Lemon Myrtle.

Completely chemical free, non-medical, all natural ingredients, biodegradable.

Instructions for use: Work a small amount into a lather and wash, rinse well and repeat for best results.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Provitamin B5 (d-panthenol), Guar Gum Powder, Lactic Acid (vegetable source), Silver

Silver-MSM Mollu-Skin Spray

- This is our mildest Mollu-Skin product, suitable for even the most sensitive skin
- The spray action allows for non-contact treatment, minimising the risk of spreading molluscum
- Safe to use on the face and around the eyes

Silver-MSM Mollu-Skin Spray is our mildest Mollu product but has powerful and effective qualities: Silver and MSM are combined in suspension, increasing the beneficial effects of each compound many times. In particular, the activity of the silver particles is significantly increased.

Instructions for use: Spray onto skin and let air dry. Can be used as often as required. Safe for use on all areas of the body including the face and eyelids.

Cleansing before using gives best results. We recommend using Silver-MSM Mollu Skin Body Wash or Silver-MSM Mollu Skin Foam Bath.

Ingredients: Purified Water, MSM, Silver

A 200ml Refill Bottle is now available.

Silver-MSM Mollu-Skin Spray with Lemon Myrtle Essential Oil

- A gentle, chemical-free, non-scarring, non-medical treatment which soothes itching
- Combines the potent anti-microbial properties of Silver with Lemon Myrtle and Lemon Scented Tea Tree essential oils
- With MSM (organic sulphur) to promote skin regeneration
- The spray action allows for quick, easy, and economical non-contact treatment
- Cruelty free, all natural ingredients

Silver-MSM Mollu-Skin Spray with Lemon Myrtle is a pain-free, non-scarring, non-medical treatment for molluscum contagiosum. It combines Silver, which has potent anti-microbial qualities, with MSM (organic sulphur), an important skin nutrient that supports healthy skin renewal. These are brought together in colloidal suspension, which heightens the activity of the silver particles, and increases the beneficial effects of each compound. We then add Lemon Myrtle and Lemon Scented Tea Tree essential oils, which have powerful anti-septic properties useful in treating persistent viral, fungal, and bacterial skin conditions. The non-contact application minimises the risk of spreading through treatment, and one bottle will go a long way, providing four hundred 0.125ml spray applications. Use as often as required, just spray on and let air dry. Most effective in combination with our other Silver-MSM Mollu-Skin treatments, all available in either a very mild, non-fragranced form, or with added Lemon Myrtle.

Completely chemical free, non-medical, all natural ingredients, biodegradable. Refills now available.

NOTE: This formula contains Lemon Myrtle and Lemon Scented Tea Tree essential oils. If you have very sensitive skin, damaged skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our non-fragranced Mollu-Skin Spray.

Instructions for use: Spray onto the affected area until you get a slight run-off, then allow to air dry.

Keep away from eyes, nose and mouth. Do not apply to children with sensitive skin, or other chronic skin conditions.

In case of contact with the eyes, rinse under warm running water immediately.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Polysorbate 20, Thistle Oil, Moringa Oil, Provitamin B5 (d-panthenol), Vitamin E (tocopherol), Lemon Myrtle Oil, Lemon Scented Tea Tree Oil, Cinnamal, Eugenol, Isoeugenol, Silver

A 200ml Refill Bottle is available.

Silver-MSM Mollu-Skin Barrier Cream Non-Fragranced

- A gentle, chemical free, non-scarring, non-medical which soothes itching
- Suitable for sensitive skin types including young children and those with irritated skin
- Combines the potent anti-microbial properties of MicroSilver with MSM (organic sulphur) which promotes skin regeneration
- Made with beeswax for a slight barrier function, which helps to protect the skin and promote healing

Mollu-Skin Barrier Cream Non-Fragranced is a very mild yet effective cream for treating molluscum contagiosum, suitable for even the most sensitive skin types. It is perfect for use on young children, or on skin broken, damaged, or inflamed due to a persistent condition. It combines the potent anti-microbial properties of MicroSilver with MSM (organic sulphur), an important skin nutrient that supports healthy skin renewal. The soothing formula contains beeswax, which has a slight barrier function that promotes the healing process, as well as locking in the active ingredients. MicroSilver particles are proven to release active silver ions for up to 12 hours, so two applications a day, twelve hours apart, is enough provide round the clock antimicrobial protection. The product is dispatched with a spatula for easy application, and to minimise the risk of spreading through treatment. Most effective when used in combination with our other Silver-MSM Mollu-Skin treatments, all available in either a very mild, non-fragranced form, or with added Lemon Myrtle.

Completely chemical free, non-medical, all natural ingredients, biodegradable.

Instructions for use: Apply to the effected areas with the spatula supplied and let the cream sink in completely. Use as often as required or at least twice daily, 12 hours apart.

Suitable for use around the eyes, nose and mouth.

Ingredients: Purified Water, MSM (Methyl Sulphonyl Methane), Cetearyl Glucoside, Moringa Oil, Thistle Oil, Cocoa Butter, Beeswax, Vitamin E, Silver

Silver-MSM Mollu-Skin Barrier Cream with Lemon Myrtle

- A gentle, chemical-free, non-scarring, non-medical cream which soothes itching
- Combines the potent anti-microbial properties of MicroSilver, Lemon Myrtle and Lemon Scented Tea Tree Oils
- With MSM (organic sulphur) to promote skin regeneration
- Made with beeswax for a slight barrier function, which helps to protect the skin and promote healing
- All natural ingredients, no parabens or petro-chemicals, cruelty-free

Our Mollu-Skin Barrier Cream with Lemon Myrtle has been inspired by the overwhelmingly positive feedback we have received over many years from customers using our Silver-MSM Cream with Lemon Myrtle to treat molluscum contagiosum. This new, targeted cream combines the potent anti-microbial properties of MicroSilver with MSM (organic sulphur), an important skin nutrient that supports healthy skin renewal, and Lemon Myrtle essential oil, which has anti-septic properties useful in treating persistent viral, fungal, and bacterial skin conditions. The soothing formula contains beeswax, which has a slight barrier function that promotes the healing process, as well as locking in the active ingredients. MicroSilver particles are proven to release active silver ions for up to 12 hours, so two applications a day, twelve hours apart, is enough provide round the clock antimicrobial protection.

Most effective when used in combination with our other Silver-MSM Mollu-Skin treatments, all available in either a very mild, non-fragranced form, or with added Lemon Myrtle. Completely chemical free, non-medical, all natural ingredients, biodegradable.

NOTE: This formula contains Lemon Myrtle and Lemon Scented Tea Tree essential oils. If you have very sensitive skin, damaged skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our non-fragranced Mollu-Skin Barrier Cream

Instructions for use: Apply to the effected areas with the spatula supplied and let the cream sink in completely. Use as often as required or at least twice daily, 12 hours apart.

Keep away from eyes, nose and mouth. Do not apply to children with sensitive skin, eczema or other chronic skin conditions.

Ingredients: Purified Water, MSM (Methyl Sulphonyl Methane), Cetearyl Glucoside, Moringa Oil, Thistle Oil, Cocoa Butter, Beeswax, Vitamin E, Lemon Myrtle Oil, Lemon Scented Tea Tree Oil, Cinnamal, Eugenol, Isoeugenol, Silver

Silver-MSM Mollu-Skin Foam Bath

- gentle yet effective foambath, which leaves your skin soft and supple, thanks to the generous amount of MSM used
- Contains Silver, which has anti-bacterial and anti-septic properties
- Lemon Myrtle and Lemon Scented Tea Tree Oils have potent anti-bacterial and anti-viral properties
- Designed to complement our Silver-MSM Mollu-Skin Cream+ and Serum+, reduces inflammation and itching
- Natural Ingredients - No SLS/SLES - No Parabens - No Petro-Chemicals

This gentle yet effective foam bath contains natural ingredients which have anti-microbial, anti-fungal, anti-viral properties. Leaves your skin feeling soft and supple and combines well with our other Silver MSM Mollu-Skin treatments. This formula contains essential oils of Lemon Myrtle Oil and Lemon Scented Tea Tree Oil. Lemon Myrtle Oil has powerful anti-bacterial, anti-fungal, anti-viral and anti-septic properties. Silver-MSM Tea Tree Shampoo

- all natural shampoo suitable for normal to dry scalp and hair types
- Mild, yet very efficient and economical, useful for itchy and flaky scalp conditions
- No SLS/SLES - Chemical free, cruelty free skincare - all natural formulation

It contains wild crafted Tea Tree Oil from Australia for optimal effectiveness, which is known to have powerful anti-fungal and anti-septic properties.

Instructions for use:

Put a reasonable sized amount of Shampoo into wet hands and lather up. Wash wet hair and scalp thoroughly and rinse off. For best results repeat the process (you will need less shampoo this time)

Can be used regularly. Suitable for all ages and hair types. For best results, use with Silver-MSM Tea Tree Conditioner.

Please note: Tea Tree Essential Oil may cause skin sensitivity and / or allergic reactions in some people.

Ingredients: Purified Water, Mipa Laureth Sulphate, Cocoamidopropyl Betaine, MSM (Methyl Sulphonyl Methane), Coco Glucoside, Glyceryl Oleate, Guar Gum Powder, Provitamin B5 (d-panthenol), Bisabolol (chamomile extract), Tea Tree Oil, Silver

Silver-MSM Tea Tree Shower Gel and Body Wash

- Contains natural ingredients which have anti-bacterial and anti-fungal properties
- combines tea tree with silver, organic sulphur and neem oil to combat inflammation and reduce itchiness

This is a powerful anti-bacterial, anti-fungal and anti-septic care product suitable for frequent use on all skin and hair types. Containing all natural ingredients derived only from plants and minerals, it delivers a mild yet effective cleaning action. Wild crafted Tea Tree Oil from Australia is a particularly potent and powerful natural healing tool and is gently soothing to irritated and itchy skin.

Instructions for use:

Shake bottle well before each use. Put a reasonable amount into wet hands and lather up. Wash wet hair, scalp and body and rinse off. For best results repeat the process.

Please note: Tea Tree Essential Oil may cause skin sensitivity and / or allergic reactions in some people.

Ingredients : Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil (melia azadirata), Guar Gum Powder, Citronella Oil (cymbopogon winterianus), Lemon Tea Tree Oil (leptosperum petersonii), Lactic Acid (veg. source), Tea Tree Oil (melaleuca alternifolia), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Tea Tree Soap

- mild, yet very effective and economical
- contains wild crafted Tea Tree Oil from Australia
- Made with added MSM, leaving your skin soft and supple
- all natural ingredients: No alcohol—No SLS/SLES - No Parabens or Phthalates - No Petroleum based ingredients

Contains wild crafted Tea Tree Oil from Australia which has traditionally been used as an effective anti-fungal agent and anti-septic treatment. Our customers report great results with skin conditions such as seborrhoeic dermatitis, psoriasis and nail bed infections

Instructions for use:

Put a small amount into wet hands, lather up skin and wash thoroughly. Rinse well. Suitable for frequent use.

Ingredients : Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Lactic Acid (veg. source), Wild Crafted Tea Tree Oil (melaleuca alternifolia), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Deodorant

- gentle, all natural deodorant; does not suppress perspiration
- fragrance free, but suitable for scenting with your favourite essential oils

Silver-MSM Deodorant is all natural, free from petro-chemicals, alcohol and aluminium; it is non-fragranced and does not suppress perspiration, but rather inhibits the chemical breakdown of sweat into those compounds that produce the odour.

Silver-MSM Deodorant is non-fragranced, but its unique delivery system allows the user to create a fragrance of their own design: Simply add a few drops of your favourite essential oils to the bottle, shake well and you have created your very own olfactory note!

Suitable to be used on all areas of the body.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Polysorbate 20, Farnesol, Lemon Ester, Silver

Silver-MSM Exfoliating Cleanser

with active extracts from organic Papaya extracts

- Thorough cleansing action, yet kind to the skin
- Leaves skin feeling clean, clear and invigorated
- All natural ingredients based on plants and minerals, no petro-chemicals, cruelty free, suitable for vegans.

All skin conditions will benefit from careful cleansing before applying a toning or moisturizing product. Silver-MSM Exfoliating Cleanser not only unclogs pores but removes dead skin cells. This stimulates healthy skin renewal and skin becomes more able to absorb the nutrients and active ingredients in follow-on treatments.

Instructions for use: For regular use: moisten your skin with water and apply cleanser neat. Massage into a lather and leave for a minute before rinsing off thoroughly with warm water. Towel-dry skin before applying a toner such as Silver-MSM Prebiotic Skin Serum or Silver-MSM Serum for Acne Prone Skin. Follow up with a cover cream like Silver-MSM Cream or Silver-MSM Lotion for Acne Prone Skin for a complete moisturization skin treatment. For intensive skin treatment: put good amount neat onto dry skin, massage in well and leave for a minute before rinsing off thoroughly with warm water.

Ingredients: Steam Distilled Water, Sodium Cocoamphoacetate, Glycerine, Lauryl Glucoside, Disodium Cocoyl Glutamate, Sodium Lauryl Glucose, Papaya Extract, Coco Glucoside, Glyceryl Oleate, Silver

Silver-MSM Psoriasis Cream Non-Fragranced

- A gentle and nourishing, non-steroidal cream to help manage psoriasis
- Combines the anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient which promotes regeneration
- Helps to combat psoriasis flare-ups by moisturizing, soothing, and softening the skin
- Suitable for all skin types, including young children and those prone to skin irritations
- All natural ingredients – No paraffins or petrochemicals – No tar – Cruelty-free

Our non-fragranced Silver-MSM Psoriasis Cream is a very gentle, non-steroidal cream designed to help manage psoriasis. The mild yet effective formula is suitable for use on all skin types and areas, and for people of all ages, including young children. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient. MicroSilver helps to treat inflammation, calming itching for up to 12 hours, while MSM supports healing, and promotes skin renewal on a cellular level. Added Urea helps to soften the skin and soothe flare-ups. Made with a rich blend of cold-pressed oils, this is a non-greasy, easily-absorbed cream which nourishes and moisturizes, but does not clog the pores. This product has no reported side-effects. It is safe for long-term use, and may be used as often as required. Made from all natural ingredients, our cream is paraffin-free, petroleum-free, glycerine-free, and tar-free. Not tested on animals and suitable for vegans. Also available with added Australian Tea Tree oil .

Instructions for Use: Apply to clean skin twice daily, 12 hours apart.

Ingredients: Purified water, Methyl Sulphonyl Methane (MSM), Thistle Oil, Apricot Kernel Oil, Sweet Almond Oil, Cetearyl Glucoside, Urea, Zinc Oxide, Provitamin B5 (d-panthenol), Cetyl Alcohol (vegetable based wax), Jojoba Oil, Vitamin E (tocopherol), Bisabolol (Chamomile Extract), Silver

Silver-MSM Psoriasis Cream with Australian Tea Tree

- A gentle but effective non-steroidal cream to help manage psoriasis
- Combines the anti-microbial properties of MicroSilver with MSM (organic sulphur), a key nutrient which promotes skin regeneration
- With Australian Tea Tree essential oil, a natural anti-septic which helps prevent inflammation
- Helps to combat psoriasis flare-ups by moisturizing, soothing, and softening the skin
- All natural ingredients – No paraffins or petrochemicals – No tar – Cruelty-free

Our Silver MSM Psoriasis Cream with Australian Tea Tree is an effective, non-steroidal cream designed to help manage psoriasis. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient, and Australian Tea Tree oil, a natural anti-septic. MicroSilver helps to treat inflammation, calming itching for up to 12 hours, while MSM supports healing, and promotes skin renewal on a cellular level. Added Urea helps to soften the skin and soothe flare-ups. Made with a rich blend of cold-pressed oils, this is a non-greasy, easily absorbed cream which nourishes and moisturizes, but does not clog the pores. This product has no reported side-effects and is safe for long-term use. Made from all natural ingredients, our cream is paraffin-free, petroleum-free, glycerine-free, and tar-free. Not tested on animals and suitable for vegans.

NOTE: This formula contains Australian Tea Tree essential oil, which can be sensitizing. If you have very sensitive skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our Non-Fragranced Silver-MSM Psoriasis Cream.

Instructions for use: Apply to clean skin twice daily, 12 hours apart.

Contains essential oils, so consider before using on sensitive skin or sensitive areas.

Ingredients: Purified water, Methyl Sulphonyl Methane (MSM), Thistle Oil, Apricot Kernel Oil, Sweet Almond Oil, Cetearyl Glucoside, Urea, Zinc Oxide, Provitamin B5 (d-panthenol), Cetyl Alcohol (vegetable based wax), Jojoba Oil, Vitamin E (tocopherol), Tea Tree Oil (melaleuca alternifolia), Bisabolol (Chamomile Extract), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Psoriasis Lotion Non-Fragranced

- A light, non-greasy, non-steroidal lotion to help manage psoriasis
- Combines the anti-microbial properties of Silver, which helps to combat inflammation and reduce itching, with MSM (organic sulphur), a key skin nutrient which promotes healing
- With added Urea to soothe and soften, Provitamin B5 to nourish, and Evening Primrose Oil and Rosehip Seed Oil to protect and moisturise the skin
- Suitable for all skin types, including young children and those prone to skin irritations
- All natural ingredients – No paraffins or petrochemicals – No tar – Cruelty-free

Our non-fragranced Silver-MSM Psoriasis Lotion is a very gentle, non-steroidal lotion designed to help manage psoriasis. The mild yet effective formula is suitable for use on all skin types and areas, and for people of all ages, including young children. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient. MicroSilver helps to treat inflammation, calming itching for up to 12 hours, while MSM supports healing, and promotes skin renewal on a cellular level. Added Urea softens and soothes flare-ups, Provitamin B5 and Vitamin E nourish the skin, and Zinc Oxide helps to reduce soreness. Made with a rich blend of cold-pressed oils, including Evening Primrose and Rosehip Seed, which moisturise, protect, and improve skin tone. This light, non-greasy lotion is quickly absorbed, nourishing and softening the skin without clogging the pores. For best results cleanse skin before application. Designed to complement our other Silver-MSM psoriasis care products, and particularly effective when used alongside our Silver-MSM Psoriasis Shower Gel 2in1. Made from all natural ingredients, our lotion is paraffin-free, petroleum-free, glycerine-free, and tar-free. Not tested on animals and suitable for vegans. Also available with added Australian Tea Tree oil.

Note: This product contains Vitamin A. If pregnant or breastfeeding, we advise you consult with a doctor before use.

Instructions for use: Apply to clean skin twice a day, 12 hours apart.
Suitable for whole body use.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Proprietary Oil Blend (Thistle, Evening Primrose, Rosehip, Hempseed, Jojoba), Cetearyl Glucoside, Urea, Zinc Oxide, Provitamin B5 (d-panthenol), Vitamin E (tocopherol), Bisabolol (Chamomile Extract), Vitamin A (retinyl palmitate), Silver

Silver-MSM Psoriasis Lotion with Australian Tea Tree

- A light yet effective, non-greasy, non-steroidal lotion to help manage psoriasis
- Combines the anti-microbial properties of Silver, which helps to reduce itching, with MSM (organic sulphur), a key skin nutrient which promotes healing
- With Australian Tea Tree oil, a natural anti-septic which helps to prevent inflammation
- With added Urea to soften, Provitamin B5 to nourish, and Apricot Kernel, Sweet Almond, and Jojoba oils to protect, soothe, and moisturise the skin
- All natural ingredients – No paraffins or petrochemicals – No tar – Cruelty-free

Our Silver-MSM Psoriasis Lotion with Australian tea Tree is a gentle but effective, non-steroidal lotion designed to help manage psoriasis. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient, and Australian Tea Tree essential oil, a natural anti-septic. MicroSilver and Tea Tree oil help to treat inflammation, calming itching for up to 12 hours, while MSM supports healing, and promotes skin renewal on a cellular level. Added Urea soothes flare-ups, Provitamin B5 and Vitamin E nourish the skin, and Zinc Oxide helps to reduce soreness. Made with a rich blend of cold-pressed oils, including Apricot Kernel Oil and Sweet Almond Oil, which soften, smooth and protect the skin, and Jojoba Oil, which moisturises without clogging the pores. A light, non-greasy lotion which is quickly absorbed. For best results cleanse skin before application. Designed to complement our other Silver-MSM psoriasis care products, and particularly effective when used alongside our Silver-MSM Psoriasis Shower Gel 2in1. Made from all natural ingredients, our lotion is paraffin-free, petroleum-free, glycerine-free, and tar-free. Not tested on animals and suitable for vegans.

NOTE: This formula contains Australian Tea Tree essential oil, which can be sensitizing. If you have very sensitive skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our Non-Fragranced Silver-MSM Psoriasis Lotion.

Instructions for use: Apply to clean skin twice a day, 12 hours apart.
Suitable for whole body use.

Contains essential oils, so consider before using on sensitive skin or sensitive areas.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Apricot Kernel Oil, Sweet Almond Oil, Cetearyl Glucoside, Urea, Zinc Oxide, Provitamin B5 (d-panthenol), Cetyl Alcohol (Vegetable-Based Wax), Jojoba Oil, Vitamin E (tocopherol), Tea Tree Oil (*melaleuca alternifolia*), Bisabolol (Chamomile Extract), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Psoriasis Scalp Conditioner Non-Fragranced

- A gentle but effective non-steroidal conditioner designed to help manage scalp psoriasis
- Combines the anti-microbial properties of silver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- Formulated with a blend of high-quality plant oils, including coconut and castor oil, for effective, non-greasy conditioning which improves hair structure, and increases softness and shine
- Very mild, non-fragranced formula suitable for all hair types. Safe for use on children and babies, and for those prone to skin irritations.
- All natural ingredients – No paraffins or petrochemicals – No tar – Cruelty-free

Our non-fragranced Silver-MSM Psoriasis Scalp Conditioner provides a very gentle, non-steroidal treatment for scalp psoriasis. It combines the anti-microbial properties of silver, which helps to combat itching and inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking. Added Provitamin B5 and Vitamin E nourish and soften the scalp, while our proprietary blend of high-quality plant oils produces a non-greasy conditioning action: Coconut oil adds shine, while Castor oil and Jojoba oil lock in moisture, protecting the hair shaft, and soothing dry scalps without clogging the pores. This very mild formula is safe for long term use. It is suitable for children and babies, and for those with sensitive skin prone to irritations. Made from all natural ingredients, our non-fragranced conditioner is paraffin-free, petroleum-free, and tar-free. Not tested on animals and suitable for vegans.

Also available with added Australian Tea Tree oil.

Instructions for use: Massage thoroughly into wet hair and scalp and leave in for up to 20 minutes. Massage again and rinse well.

For best results use alongside Silver-MSM Psoriasis Shampoo.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Cetearyl Glucoside, Proprietary Oil Blend (Hempseed, Jojoba, Castor, Coconut), Saccharide Isomerate, Punica Granatum, Glycerine, Provitamin B5 (d-panthenol), Guar Gum Powder, Coco Glucoside, Glyceryl Oleate, Vitamin E, Bisabolol (Chamomile Extract), Xanthan Gum, Silver

Silver-MSM Psoriasis Scalp Conditioner with Australian Tea Tree

- A gentle but effective non-steroidal conditioner designed to help manage scalp psoriasis
- Combines the anti-microbial properties of silver, which helps to soothe itching, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- With Australian Tea Tree essential oil, a natural anti-septic which helps to prevent inflammation
- Formulated with Hempseed oil and Jojoba oil, for effective, non-greasy conditioning which improves hair structure, and increases softness and shine
- All natural ingredients – No paraffins or petrochemicals – No tar – Cruelty-free

Our Silver-MSM Psoriasis Scalp Conditioner with Australian Tea Tree provides an effective, non-steroidal treatment for scalp psoriasis. It combines the anti-microbial properties of silver, which helps to combat itching and inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking, and Australian Tea Tree essential oil, a natural anti-septic. Provitamin B5 and Vitamin E nourish and soften the scalp, and lactic acid provides very gentle exfoliation. Hempseed oil and Jojoba oil produce a non-greasy conditioning action, locking in moisture, protecting the hair shaft, and soothing dry scalps without clogging the pores. This gentle formula is safe for long term use, and may be used as often as required. Made from all natural ingredients, our psoriasis conditioner is paraffin-free, petroleum-free, and tar-free. Not tested on animals and suitable for vegans.

NOTE: This formula contains Australian Tea Tree essential oil, which can be sensitizing. If you have very sensitive skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our Non-Fragranced Silver-MSM Psoriasis Scalp Conditioner.

Instructions for use: Massage thoroughly into wet hair and scalp and leave in for up to 20 minutes. Massage again and rinse well.

For best results use alongside Silver-MSM Psoriasis Shampoo.

Contains essential oils, so consider before using on sensitive skin or sensitive areas.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Urea, Zinc Oxide, Natural Moisturising Complex (Sodium Lactate, Sodium PCA, Urea, Hydrolysed Vegetable Protein, Sodium pH), Hempseed Oil, Cetearyl Glucoside, Cetyl Alcohol (Vegetable-Based Wax), Guar Gum Powder, Provitamin B5 (d-panthenol), Bisabolol (Chamomile Extract), Vitamin E (tocopherol), Jojoba Oil, Xanthan Gum, Tea Tree Oil, Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Psoriasis Shampoo Non-Fragranced

- A gentle but effective non-steroidal shampoo designed to help manage scalp psoriasis
- Combines the anti-microbial properties of silver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- Cleanses and conditions, moisturizing and soothing the scalp, and leaving hair soft and manageable
- Very mild, non-fragranced formula suitable for all hair types. Safe for use on children and babies, and for those prone to skin irritations
- All natural ingredients – No SLS/SLES - No paraffins or petrochemicals – No tar – Cruelty-free

Our Non-fragranced Silver-MSM Psoriasis Shampoo is a very gentle yet effective, all-natural shampoo which has been specially formulated to help manage scalp psoriasis. It combines the anti-microbial properties of silver, which helps to combat itching and inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking. Based on a mild detergent derived from vegetable and coconut oil, this gentle shampoo cleanses without stripping the hair of its natural oils, leaving it soft and manageable. Added glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin and scalp after cleansing, while also conditioning the hair and improving shine. Provitamin B5 nourishes, while Bisabolol (Chamomile Extract) protects and calms sore skin. This very mild formula is safe for long term use, and may be used as often as required. It is suitable for all ages, including children and babies, and for all hair types. Made from all natural ingredients, our non-fragranced shampoo is paraffin-free, petroleum-free, and tar-free, and contains no SLS/SLES or parabens. Not tested on animals and suitable for vegans. Also available with added Australian Tea Tree oil. Most effective when used in combination with our Silver-MSM Psoriasis Scalp Conditioner.

Instructions for use: Massage a small amount into wet hair and scalp, rinse well and repeat. For best results follow up with Silver-MSM Psoriasis Scalp Conditioner.

Ingredients: Purified Water, Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Methyl Sulphonyl Methane (MSM), Coco Glucoside, Glyceryl Oleate, Guar Gum Powder, Provitamin B5 (d-panthenol), Bisabolol (Chamomile Extract), Silver

Silver-MSM Psoriasis Shampoo with Australian Tea Tree

- A gentle but effective non-steroidal shampoo designed to help manage scalp psoriasis
- Combines the anti-microbial properties of silver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- With Australian Tea Tree essential oil, a natural anti-septic which helps to prevent inflammation
- Cleanses and conditions, moisturizing and soothing the scalp, and leaving hair soft and manageable
- All natural ingredients – No SLS/SLES - No paraffins or petrochemicals – No tar – Cruelty-free

Our Silver-MSM Psoriasis Shampoo with Australian Tea Tree has been specially formulated to help manage scalp psoriasis. It combines the anti-microbial properties of silver, which helps to combat itching and inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking, and Australian Tea Tree essential oil, a natural anti-septic. Based on a mild detergent derived from vegetable and coconut oil, this shampoo cleanses without stripping the hair of its natural oils, leaving it soft and manageable. Added glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin and scalp after cleansing, while also conditioning the hair and improving shine. Provitamin B5 nourishes, while Bisabolol (Chamomile Extract) protects and calms sore skin. This gentle but effective formula is safe for long term use, and may be used as often as required. Made from all natural ingredients, our psoriasis shampoo is paraffin-free, petroleum-free, and tar-free, and contains no SLS/SLES or parabens. Not tested on animals and suitable for vegans. Most effective when used in combination with our Silver-MSM Psoriasis Scalp Conditioner.

NOTE: This formula contains Australian Tea Tree essential oil, which can be sensitizing. If you have very sensitive skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our Non-Fragranced Silver-MSM Psoriasis Shampoo.

Instructions for use: Massage a small amount into wet hair and scalp, rinse well and repeat. For best results follow up with Silver-MSM Psoriasis Scalp Conditioner.

Ingredients: Purified Water, Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Methyl Sulphonyl Methane (MSM), Coco Glucoside, Glyceryl Oleate, Guar Gum Powder, Provitamin B5 (d-panthenol), Bisabolol (Chamomile Extract), Tea Tree Oil, Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Psoriasis Shower Gel 2in1 Non-fragranced

- A very mild yet effective body wash designed to support the daily care of skin prone to psoriasis
- Combines the anti-microbial properties of silver with MSM (organic sulphur), a key skin nutrient which promotes regeneration
- The economic 2in1 formula is suitable for use on both skin and hair. It cleanses and moisturizes, providing relief for itchy skin, while also conditioning the hair, improving shine and softness
- Suitable for all skin types, including young children and those prone to skin irritations
- All natural ingredients – No SLS/SLES - No paraffins or petrochemicals – No tar – Cruelty-free

Our non-fragranced Silver-MSM Psoriasis Shower Gel 2in1 has been designed to support the daily care and management of skin prone to psoriasis. It combines the anti-microbial properties of silver, which helps to combat inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking. Based on a mild detergent derived from vegetable and coconut oil, this gentle wash cleanses and conditions. It relieves itching, and leaves skin feeling soft and supple. Added glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin after cleansing. Neem oil nourishes and restores moisture, as well as forming a barrier to protect the skin. As a 2in1 product, this showergel can also be used on all hair types, with both neem oil and glyceryl oleate helping to improve softness and shine. This very mild formula is safe for long term use and may be used as often as required. It is suitable for all ages and skin types, including children and babies, and those prone to skin irritations. Made from all natural ingredients, this non-fragranced shower gel is paraffin-free, petroleum-free, and tar-free, and contains no SLS/SLES or parabens. Not tested on animals and suitable for vegans. Also available with added Australian Tea Tree oil. Most effective when used in combination with our Silver-MSM Psoriasis Lotion.

NOTE: This product is non-fragranced, but the added neem oil has a slight woody scent.

Instructions for use: Work a small amount into a lather and wash, rinse well and repeat for best results.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil, Guar Gum Powder, Lactic Acid (vegetable source), Silver

Silver-MSM Psoriasis Shower Gel 2in1 with Australian Tea Tree

- A gentle but effective shower gel designed to support the daily care of skin prone to psoriasis
- Combines the anti-microbial properties of silver with MSM (organic sulphur), a key skin nutrient which promotes regeneration
- With Australian Tea Tree essential oil, a natural anti-septic which helps to prevent inflammation
- The economic 2in1 formula is suitable for use on both skin and hair. It cleanses and moisturizes, providing relief for itchy skin, while also conditioning the hair, improving shine and softness
- All natural ingredients – No SLS/SLES - No paraffins or petrochemicals – No tar – Cruelty-free

Our Silver-MSM Psoriasis Shower Gel 2in1 with Australian Tea Tree has been designed to support the daily care and management of skin prone to psoriasis. It combines the anti-microbial properties of silver, which helps to combat inflammation, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking, and Australian Tea Tree essential oil, a natural anti-septic. Based on a mild detergent derived from vegetable and coconut oil, this gentle wash cleanses and conditions. It relieves itching, and leaves skin feeling soft and supple. Added glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin after cleansing. Neem oil nourishes and restores moisture, as well as forming a barrier to protect the skin. As a 2in1 product, this shower gel can also be used on all hair types, with both neem oil and glyceryl oleate helping to improve softness and shine. This mild but effective formula is suitable for long term use, and may be used as often as required. Made from all natural ingredients, this shower gel is paraffin-free, petroleum-free, and tar-free, and contains no SLS/SLES or parabens. Not tested on animals and suitable for vegans. Most effective when used in combination with our Silver-MSM Psoriasis Lotion.

NOTE: This formula contains Australian Tea Tree essential oil, which can be sensitizing. If you have very sensitive skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our Non-Fragranced Silver-MSM Psoriasis Shower Gel.

Instructions for use: Work a small amount into a lather and wash, rinse well and repeat. For best results, use alongside Silver-MSM Psoriasis Cream and Silver-MSM Psoriasis Scalp Conditioner.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Co-coamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Decyl Glucoside, Neem Oil, Guar Gum Powder, Lactic Acid (vegetable source), Silver

Silver-MSM Psoriasis Soap Non-Fragranced

- A very mild yet effective soap designed to support the daily care of skin prone to psoriasis
- Combines the anti-microbial properties of silver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- Cleanses and conditions, moisturizing and soothing the skin, and helping to reduce redness
- Suitable for all skin types, including children and babies, and those prone to skin irritations
- All natural ingredients – No SLS/SLES – No parabens, paraffins, or petrochemicals – No coal tar – No steroids – Cruelty-free – Made in Britain

Our non-fragranced Silver-MSM Psoriasis Soap is a very gentle cleanser which has been designed to support the daily care and management of skin prone to psoriasis. It combines the anti-microbial properties of silver, which helps to combat inflammation and reduce redness, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking. Based on a mild detergent derived from vegetable and coconut oil, this gentle, non-drying soap cleanses and conditions. It relieves itching, and leaves skin feeling soft and supple. Added lactic acid gently exfoliates, while glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin after cleansing. This very mild formula is safe for long term use. There are no reported side effects, such as stinging, itching, or burning on application. It is suitable for children and babies, and for those with sensitive skin and pre-existing skin irritations. Made from all natural ingredients, our non-fragranced Psoriasis Soap is paraffin-free, paraben-free, petroleum-free, tar-free, and steroid-free. Not tested on animals and suitable for vegetarians and vegans. Also available with added Australian Tea Tree oil for increased potency. Most effective when used in combination with our Silver-MSM Psoriasis Cream. To view our full Silver-MSM Psoriasis care range, please visit the argentum plus Amazon store, or silver-msm.co.uk.

Instructions for use: Lather a small amount onto your hands, then rinse thoroughly.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Lactic Acid (vegetable source), Silver

Silver-MSM Psoriasis Soap with Australian Tea Tree

- An effective, natural soap for skin prone to psoriasis
- Combines the anti-microbial properties of silver, which helps to soothe itching and reduce inflammation, with MSM (organic sulphur), a key skin nutrient which promotes healing and reduces flaking
- Added Australian Tea Tree essential oil provides a natural anti-septic action
- Cleanses and conditions, moisturizing and soothing the skin, and helping to reduce redness
- All natural ingredients – No SLS/SLES – No parabens, paraffins, or petrochemicals – No coal tar – No steroids – Cruelty-free – Made in Britain

Our Silver-MSM Psoriasis Soap with Australian Tea Tree is an effective, natural cleanser for skin prone to psoriasis. It combines the anti-microbial properties of silver, which helps to combat inflammation and reduce redness, with MSM (organic sulphur), a key skin nutrient which promotes regeneration and reduces flaking. Based on a mild detergent derived from vegetable and coconut oil, this gentle, non-drying soap cleanses and conditions. It relieves itching, and leaves skin feeling soft and supple. Added Australian Tea Tree essential oil has a natural anti-septic action. Lactic acid gently exfoliates, while glyceryl oleate has a moisturizing effect, helping to restore the lipid layer of the skin after cleansing. Made from all natural ingredients, our Psoriasis Soap is paraffin-free, petroleum-free, paraben-free, tar-free, and steroid-free. Not tested on animals and suitable for vegetarians and vegans. Most effective when used in combination with our Silver-MSM Psoriasis Cream. To view our full Silver-MSM Psoriasis care range, please visit the argentum plus Amazon store, or silver-msm.co.uk.

NOTE: This formula contains Australian Tea Tree essential oil, which increases the efficacy of the product, but can be sensitizing. If you have very sensitive skin, skin sensitive to essential oils, or are prone to eczema you may prefer to use our non-fragranced Silver-MSM Psoriasis Soap. Likewise, when using this soap long term, we recommend swapping out each third bottle for the non-fragranced version, to allow the skin a rest period.

Instructions for use: Lather a small amount onto your hands, then rinse thoroughly.

Ingredients: Purified Water, Methyl Sulphonyl Methane (MSM), Mipa Laureth Sulphate, Cocoamidopropyl Betaine, Coco Glucoside, Glyceryl Oleate, Lactic Acid (vegetable source), Tea Tree Oil (melaleuca alternifolia), Citronellol, D-Limonene, Geraniol, Linalool, Silver

Silver-MSM Rosacea Face Cream

- A very light, non-fragranced moisturizing cream for skin prone to rosacea and facial redness
- Combines the powerful anti-microbial properties of MicroSilver™, which helps to combat inflammation, with MSM (organic sulphur), a key nutrient which promotes healthy skin function
- A blend of non-greasy cold-pressed oils protects and nourishes the skin, while plant-derived prebiotics support skin barrier repair
- This soothing, gentle cream contains only naturally-derived ingredients, and is designed to be suitable for very sensitive skin
- All natural ingredients - No paraffins, petrochemicals, or preservatives – Cruelty-free – Made in Britain

Our Silver-MSM Rosacea Face Cream is a light, non-greasy moisturizing cream for skin prone to rosacea and facial redness. It combines the anti-microbial properties of MicroSilver™, which helps to combat inflammation, with MSM (organic sulphur), a key nutrient which promotes healthy skin function by improving cell structure and flexibility. Our proprietary blend of cold-pressed plant oils restores moisture and provides a light barrier function, protecting the skin from external irritants. Evening primrose oil revitalises and improves skin tone, and is particularly suitable for sensitive skin. Added provitamin B5 nourishes and smoothes rough skin, while plant-derived prebiotics inulin and alpha-glucans boost skin flora and support skin barrier repair. Chamomile extract helps to calm redness and itching. This cream is safe for long-term use on all skin types and may be used as often as required. Made from all natural ingredients, our rosacea cream is non-fragranced, and free from petrochemicals, preservatives, and glycerine. Not tested on animals, and suitable for vegetarians and vegans.

Please note: This cream has been designed to be suitable for very sensitive skin. However, as each case is different, we recommend you read the label to check whether any of the ingredients might be triggering for your skin, and patch test on healthy skin before use.

Instructions for use: Apply to clean skin twice daily, 12 hours apart.

Ingredients: Purified Water, Cetearyl Glucoside, Thistle Oil, Sunflower Oil, Evening Primrose, Jojoba Oil, MSM (methyl sulphonyl methane), Vitamin E, Inulin, Provitamin B5 (d-panthenol), Alpha-glucan oligosaccharide, Allantoin, Chamomille CO2 Extract, Silver

Silver-MSM Acne Rosacea Lotion

- A soothing, non-steroidal lotion for skin prone to acne rosacea
- Combines the powerful anti-microbial properties of MicroSilver™, which helps to combat inflammation, with MSM (organic sulphur), a key nutrient which promotes healthy skin function
- Acai, andiroba, and copaiba balsam, three traditional ingredients from the South American Rainforests, help to unclog pores and regulate sebum production
- Suitable for use on all skin types and areas, including those with sensitive skin
- All natural ingredients - No paraffins, petrochemicals, or preservatives – Cruelty-free – Made in Britain

Our Silver-MSM Acne Rosacea Lotion is a soothing, non-steroidal care product for skin prone to acne rosacea and papulopustular rosacea. It combines the anti-inflammatory properties of MicroSilver™, which helps to combat inflammation and soothe itching, with MSM (organic sulphur), a key nutrient which promotes healthy skin function by improving cell structure and flexibility. Acai oil, andiroba oil, and copaiba balsam – three traditional ingredients from the South American Rainforests – unclog the pores and regulate sebum production. Rosehip seed oil and evening primrose oil are rich in essential fatty acids, and have a non-occlusive moisturizing function. Evening primrose oil also tones the skin and reduces pore size. Added Roman Chamomile essential oil helps to calm redness and itching. This lotion is safe for long-term use on all skin types and may be used as often as required. Made from all natural ingredients, our acne rosacea lotion is free from steroids, petrochemicals, preservatives, and glycerine. Not tested on animals, and suitable for vegetarians and vegans.

Please note: This lotion has been designed to be suitable for very sensitive skin. However, as each case is different, we recommend you read the label to check whether any of the ingredients might be triggering for your skin, and patch test on healthy skin before use. This product contains Vitamin A. If pregnant or breastfeeding, we advise you consult with a doctor before use.

Instructions for use: Apply to clean skin twice daily, 12 hours apart.

Ingredients: Purified Water, MSM, Proprietary Oil Blend (Evening Primrose, Rosehip Seed, Camellia Seed, Thistle, Jojoba, Acai, Andiroba), Cetearyl Glucoside, Copaiba Balsam, Provitamin B5 (d-panthenol), Vitamin E (tocopherol), Vitamin A (retinyl palmitate), Silver

Silver-MSM Lichen Planus Cream

- A gentle, steroid-free emollient cream for skin prone to Lichen Planus
- Contains MicroSilver, which has anti-microbial properties that help to combat inflammation for up to 12 hours, and MSM (organic sulphur), which supports healthy skin renewal
- Made with a blend of cold-pressed plant oils, including comfrey oil and evening primrose oil, this non-greasy cream moisturizes and nourishes the skin, soothes itching, and reduces redness
- Suitable for use on all skin types and all skin areas
- All natural ingredients - No parabens, paraffins, or petrochemicals – Cruelty-free and suitable for vegetarians and vegans – Made in Britain

Our Silver-MSM Lichen Planus Cream is a very gentle, all-natural, steroid-free cream designed to help manage skin prone to lichen planus. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient. MicroSilver helps to treat inflammation and soothe itching, while MSM supports healing and promotes skin regeneration. Made with a rich blend of cold-pressed plant oils, this cream is an intensive, non-greasy emollient which forms a protective barrier on the skin. Comfrey oil and jojoba oil moisturize, calendula oil soothes, and hemp seed oil and evening primrose oil are rich in GLA (Gamma Linolenic Acid), which supports healthy skin function. Added prebiotics improve skin flora, strengthening the skin's natural defences. This product is safe for long-term use and may be used as often as required. It is non-fragranced, and suitable for all skin types, including sensitive skin. It may be used on all skin areas, including intimate areas. Paraffin-free, petrochemical-free, paraben-free, and steroid-free. Not tested on animals and suitable for vegetarians and vegans.

Please note: As this is an oil-based moisturizer, it may not be suitable in cases where the skin is weeping, which require more breathability. If this is the case, or for a lighter skincare product to use during the day, alternate this cream with our Silver-MSM Lichen Planus Gel. For our full range of Silver-MSM Lichen Planus care products, please visit the argentum plus Amazon store or visit silver-msm.co.uk.

Instructions for use: Apply to clean skin twice daily, 12 hours apart.

Ingredients: Purified Water, MSM (methyl sulphonyl methane), Cetearyl Glucoside, Thistle Oil, Sunflower Oil, Jojoba Oil, Calendula Oil, Comfrey Oil, Hemp Seed Oil, Evening Primrose Oil, Vitamin E, Inulin, Alpha-glucan oligosaccharide, Provitamin B5 (d-panthenol), Allantoin, Bisabolol (Chamomile Extract), Chamomile CO2 Extract, Xanthan Gum, Silver

Silver-MSM Lichen Sclerosus Cream

- A gentle, steroid-free emollient cream for skin prone to Lichen Sclerosus
- Moisturizes and nourishes the skin, soothes itching, and reduces redness. Forms a protective barrier on the skin to promote healing
- Contains MicroSilver, which has anti-microbial properties that help to combat inflammation for up to 12 hours, and MSM (organic sulphur), which supports healthy skin renewal
- Suitable for use on all skin types and all skin areas
- All natural ingredients - No parabens, paraffins, or petrochemicals – Cruelty-free and suitable for vegans – Made in Britain

Our Silver-MSM Lichen Sclerosus Cream is a very gentle, all-natural, steroid-free cream designed to help manage the symptoms of lichen sclerosus. It combines the powerful anti-microbial properties of MicroSilver with MSM (organic sulphur), a key skin nutrient. MicroSilver helps to treat inflammation and soothe itching, while MSM promotes skin regeneration and reduces scarring. Made with a rich blend of cold-pressed plant oils, this cream is an intensive, non-greasy emollient which forms a protective barrier on the skin. Thistle oil and comfrey oil soften and moisturize, while calendula oil and chamomile extract soothe the skin. Vitamin A helps to repair damage to the skin and improve tone and elasticity. Added prebiotics nurture the skin flora, strengthening the skin's natural defences. This product is safe for long-term use and may be used as often as required. It is non-fragranced, and suitable for all skin types, including sensitive skin. It may be used on all skin areas, including intimate areas. Paraffin-free, petrochemical-free, paraben-free, and steroid-free. Not tested on animals and suitable for vegans.

Please note: This product contains Vitamin A in a low concentration. If pregnant or breast-feeding, we recommend you consult with a doctor before use.

Instructions for use: Apply to clean skin twice daily, 12 hours apart.

Ingredients: Purified Water, MSM (methyl sulphonyl methane), Cetearyl Glucoside, Thistle Oil, Sunflower Oil, Jojoba Oil, Calendula Oil, Comfrey Oil, Vitamin E, Inulin, Alpha-glucan oligosaccharide, Provitamin B5 (d-panthenol), Allantoin, Vitamin A, Bisabolol (Chamomile Extract), Chamomile CO2 Extract, Xanthan Gum, Silver

Silver-MSM Face Cream

- An all-natural, non-fragranced moisturizing face cream for daily use
- MSM (organic sulphur) improves skin tone and flexibility, while MicroSilver™ protects against external pathogens and irritants for up to 12 hours
- Made with high-quality cold-pressed oils which nourish and hydrate. Rosehip seed oil is high in antioxidants and essential fatty acids which promote skin health, while jojoba oil helps to balance oil levels in the skin
- Suitable for use on all skin types, including sensitive skin, and particularly beneficial to mature and tired skin
- All natural ingredients – No paraffins, petrochemicals, or preservatives – Cruelty-free – Suitable for vegetarians and vegans - Made in Britain

Our Silver-MSM Face Cream is a non-fragranced, all-natural product which moisturizes and protects the skin, providing the perfect foundation for your daily skincare routine. It contains MicroSilver™, with anti-microbial properties proven to protect the skin against external pathogens and irritants for up to 12 hours. This is combined with MSM (organic sulphur), a key skin nutrient which helps to even skin tone by improving cell structure and flexibility, and normalising collagen formation. Our proprietary blend of cold-pressed plant oils gives a non-greasy moisturizing action, smoothing and softening the skin. Rosehip seed oil, used at a concentration of more than 5%, is naturally high in vitamin A – a powerful antioxidant – and provides the essential fatty acids vital for maintaining healthy skin function. Jojoba oil helps to balance oil levels in the skin and unclog pores, while added provitamin B5 locks in moisture and increases skin elasticity. Formulated without beeswax, this light cream is non-comedogenic and highly breathable. Silver-MSM Face Cream has been designed to be suitable for use on all skin types, including sensitive skin, and contains active ingredients particularly beneficial to mature and tired skin. It is safe for use on sensitive skin areas, including around the eyes, and may be used as often as required. This cream is made with naturally derived ingredients only. Non-fragranced, paraffin-free, paraben-free, petrochemical-free, glycerine-free, and preservative-free. Not tested on animals, and suitable for vegetarians and vegans. To view our full range of Silver-MSM creams, please visit the argentum plus Amazon Store or visit silver-msm.co.uk.

Instructions for use: Use as often as required on clean skin.
