

Lithofin KF ClearTop for ceramic kitchen counter tops

Description

A special product from the LITHOFIN-Range for ceramics, quarry tiles and porcelain (KF). Lithofin KFClearTop is a mildly acidic, ready-to-use cleaning product that works quickly and efficiently. It has been specifically developed for use in kitchens.

Properties

Lithofin KF ClearTop efficiently removes calcium deposits, limescale and similar dirt. It quickly dissolves calcium and leaves clean and streak free surfaces. This product does not create any fumes, but leaves behind a fresh scent.

Technical Data:

Density: 1.0 g/cm³
 pH-Value: approx. 2
 Appearance: liquid, clear, colourless
 Odour: fresh
 Solubility in Water: very good, complete

Field of Use

For an occasional deep clean of all ceramic surfaces such as kitchen counters, bar tops or vanity tops. Also suitable for use on stainless steel and glass surfaces and for removing limescale from bathroom fixtures.

Directions for Use

Apply the undiluted product to the dirt deposit and allow it to work briefly.

Use a moist cloth or towel to remove the cleaner dirt solution from the surface. Towel dry if required.

Please note: do not use on surfaces sensitive to acids (e.g. aluminium, marble, lacquered surfaces, etc.).

Always test prior to use.

Coverage: up to 10m² per bottle..

Storage

Closed and cool.
 Shelf life of up to 3 years.

Environmental Protection

The contained surfactants are biologically degradable according to EU-regulations. Free of phosphates. Disposal: containers are made of environmentally friendly polyethylene (PE). Clean containers can be recycled through collection system.

Sicherheit

Ingredients:

acids, surfactants, perfumes.

Labelling according to EU-Directive 1272/2008(CLP):

Symbol GHS05 Danger

Causes severe skin burns and eye damage. Keep out of reach of children. Read label before use. Do not breathe vapours. Immediately call a POISON CENTER or doctor/physician. Store locked up. Dispose of contents and container in accordance with national/local regulations.
