BANDANAS**

I mean, we all know who the
star of this show really is anyway.

These durable cotton dog
bandanas are the perfect way for
your dog to express themselves...
in a way other than peeing on
your rug. Bonus: they're designed
to be one size fits all (unless
they're literally a horse), making
them the perfect gift for any dog
(or owner).

DOG BANDANAS

This Real MVP bandana is just a little different, because it features both fabric appliqué and embroidery—instead of that fuzzy stuff. Otherwise though, it's the same great bandana as the others. In fact, it's still designed to be one size fits all (unless they're literally a horse), making it the perfect gift for any dog (or owner). Whoa, anyone else get a little bit of déjà vu?

So, while you don't technically
have to live in an apartment to
complete these 300 piece puzzles,
they just happen to be the perfect

I mean let's admit it, they're the only ones you actually like buying gifts for anyway.

Yeah, they rolled in that dead squirrel that one time....so what? They were obviously very proud of it. You should really be more supportive of how they choose to express themselves. This one is on you if you think about it.
