# TIC TAC PRO GAME SET

X

Advanced tic-tac-toe is a thing. Well, it is now anyway. Not only is this classic-inspired game worthy of a coffee table—it's actually worthy of being played. Instead of every match simply ending in a draw, our version is surprisingly strategic (& fun). Be the first player to complete a line of three like-sized circles—or form a 'bullseye' for a 4th (sneaky) way to win.

- Includes 18 painted MDF game pieces (9 red and 9 blue) and a stair-stepped gameboard.
- Suitable for two players. So take turns.

BOX MEASURES 9.4" X 9.4" X 2" DEEP

# CRIBBAGE GAME SET

x

We like to say that cribbage is the best card game you've probably never heard of—unless you have heard of it, and in that case, we like you already. Sure, it's a classic game - meaning your grandparents probably got mad at each other while playing it - but it's still as fun as the day it was invented...in the 1600s.

- Includes a foldable wooden game board, six metal pegs (for scoring), & an instruction sheet.
- Features a uniquely (aka, beautifully) designed deck of cards. It is a card game, after all.

BOX MEASURES 11.14" X 6.1" X 1.67" DEEP

# I'VE VENN THINKING

x

We have more in common than we all think. In fact, that's kind of the point of this game. This Venn diagram-based party game is all about finding hilarious similarities between two random (and we mean random) things. Just draw the red and blue discs to create unexpected pairings (like the Month of February and Tom Cruise) and then compete with friends to try to find the funniest thing that they both have in common.

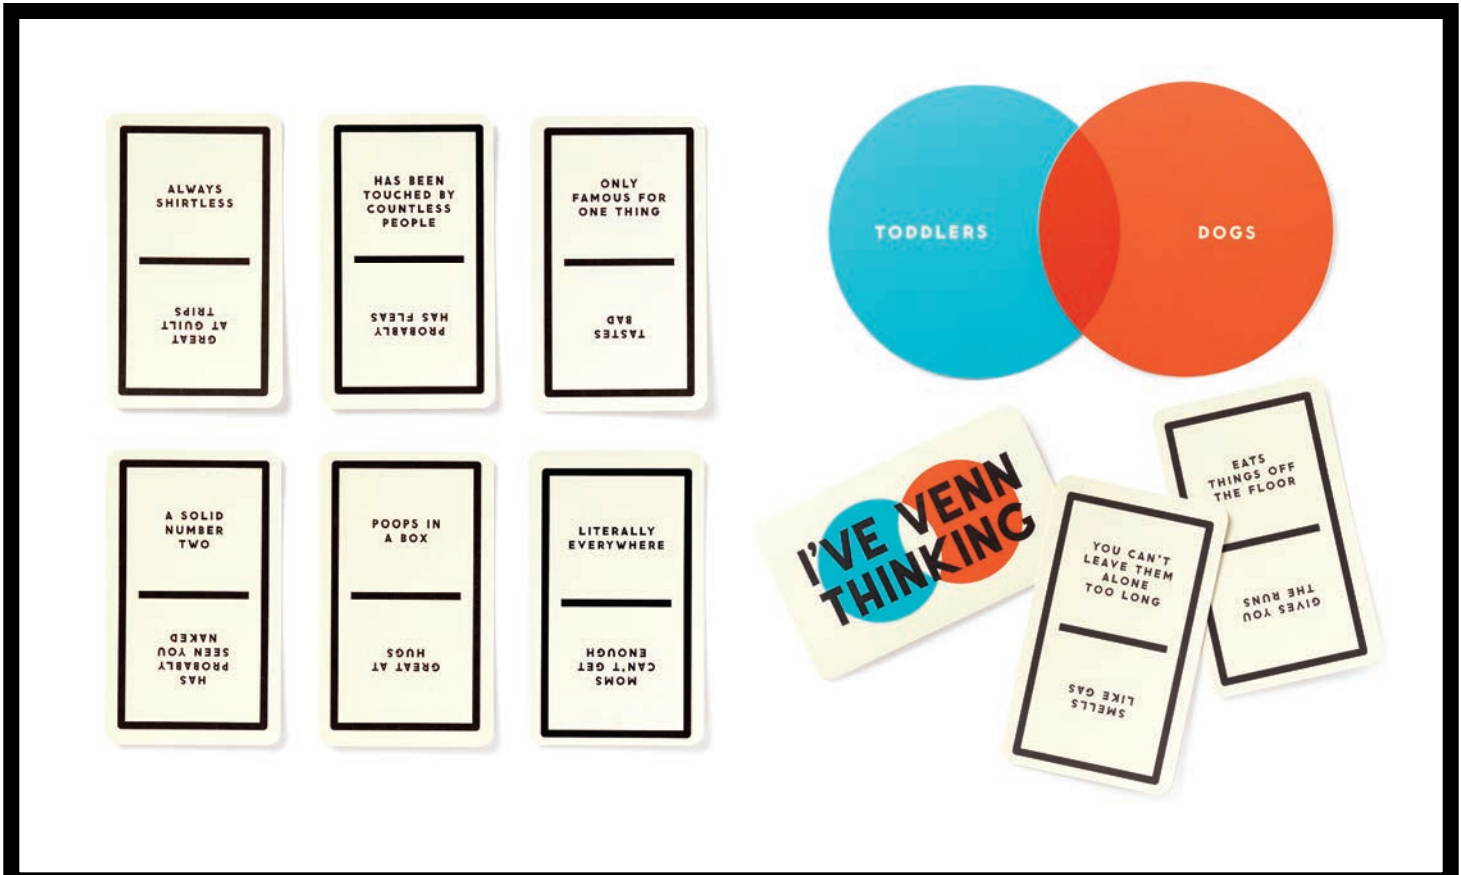

- Includes 100 red & 100 blue 'topics' to pair, and 520 different pre-written 'answers.'

OUTER BOX MEASURES 5.8" X 3.7" X 3.5" DEEP

# TRIVIA SETS

Trivia should be fun—not feel like a homework assignment. That’s why this Delightfully Useless Trivia set by Brass Monkey is filled with some of the most pointless knowledge we could find...and even better, you’ll choose your questions from a bunch of misleading categories. For example: ‘Who’s the Boss?’ Those are questions about either Tony Danza or the Mafia, by the way.

- Each set includes 200 unique trivia questions (grouped into misleading categories) to test your random knowledge—to say the least.
- All of the sets contain different questions & categories (no repeats). So collect them all to build the world’s most useless library.
- Comes with an instruction sheet that explains three different ways to play (depending on how smart you think you are).
- Outer box measures 3.5" x 3.5" x 3" deep.

Go ahead and use a pencil...because we all know you're going to end up bailing on your co-worker's open mic night.

- Inspired by vintage library books. You remember what those are, right?
