HOW DEAD ARE THEY? SOCIAL GAME

x

A 'when-did-that-one-celebrity-die?' party game. How often have you had to sheepish-ily google 'Is (insert notable person's name) still alive?' Yeah, in fact, we do it sooo much around our office—we turned it into a game. In this hilarious social game, players compete by putting their random celebrity and historical figure knowledge to the test! When did Albert Einstein pass away? 1897? 1986? Don't worry—we'll provide a series of clever clues to help inform your guess—and the closest scores points. We've included everyone from Genghis Khan to Bob Saget—and hundreds more.

OF ALL THE PEOPLE SOCIAL GAME

X

Would you rather compete in a three-legged race with JFK, Madonna, or Serena Williams? Well, that probably depends on what you'd have to do with the other two.

Consider this 'Kiss*, Marry, Kill' for people who are tired of the same old options. Players draw 3 random 'celebrity' cards and 3 equally random 'activity' cards—then full-on debate about which would make the ideal pairings. There's a catch though—you're not deciding which ones you would pick, but what you think that round's 'judge' would choose. Aka, you win points for knowing just how weird your friends are!

- Includes 450 double-sided cards.
- Suitable for 2 to 4 (or more) players.

WITHOUT A DOUBT SOCIAL GAME

×

This hilariously low-stakes social game is inspired by something we all know too well: yearbooks. Players simply nominate each other for randomly selected 'most likely to...' superlatives—based on vibe alone. For example: who among your friend group would be the most likely to cry genuine tears just from watching a sappy commercial?

Players secretly vote, and the card is awarded to the person with the most votes. In the end, the player who collects the most cards is declared the winner—relatively speaking anyway.

- Includes 200 double-sided cards.
- Suitable for 2 to 4 (or more) players.

EACH CARD MEASURES 3.5 x 1.5" (89 x 38 MM)

BOXED SET MEASURES 4 x 4 x 1.9" (102 x 102 x 48 MM)

DEBATABLE HOLIDAY EDITION SOCIAL GAME

It's the most wonderful time of the year—to argue.

I mean, you're already going to bicker with your relatives, you might as well have fun while doing it.

In this holiday-specific version of Debatable, we'll obviously avoid politics and religion, and instead focus on the important stuff like: Is Die Hard a Christmas movie? Which is better fresh or canned cranberry sauce? Is peanut brittle the best thing on earth, or a tooth removal device disguised as candy?

- Includes 200 double sided cards with 400 holiday-ish things to argue about.
- Suitable for 2 to 4 (or more) players.
