GORILLA SUIT GUY
Series 3, released in 2011
PROPS: Gorilla costume and banana
A key aspect of Gorilla Suit Guy's costume was the inclusion of holes for the eyes. This feature was included to clearly delineate that it is a costume and not a gorilla figure. Gorilla Suit Guy was the very first animal-costumed minifigure to debut.

BATTLE GODDESS
Series 12, released in 2014
PROPS: Spear and shield
Battle Goddess debuted two new parts. Both her unique hair-and-helmet comb and the white crest that adorns it were created just for her. The print of a flying Pegasus on her shield helps place this Greek goddess in history.

LLAMA COSTUME GIRL
Series 23, released in 2020
PROPS: Llama costume and carrot
Llama Costume Girl loves llama more than anything in the world. Every day she dresses up in her favorite costume to wash, brush, and feed the dozens of llamas that live on her beautiful ranch. She's llama-ally cool!
