## The Fight Against Jew-Hatred and Pogroms in the Imperialist Epoch

*Stakes for the International Working Class*

V.I. LENIN, LEON TROTSKY, FARRELL DOBBS, JAMES P. CANNON, JACK BARNES, DAVE PRINCE

Jew-hatred and the slaughter of Jews—*pogroms*—like Hamas carried out on October 7, 2023, aren't new. They go back centuries.

What is *new* is that pogroms are now part of the permanent social convulsions and wars of the imperialist epoch. Capital's rivalry to carve up the globe; two world wars; the extermination of six million Jews. All make clear that fighting Jew-hatred is of decisive importance to the working class and oppressed nations of the entire world.

That is what this book is about.

## The Low Point of Labor Resistance Is Behind Us

*The Socialist Workers Party Looks Forward*

JACK BARNES, MARY-ALICE WATERS, STEVE CLARK

The global order imposed by Washington after its victory in World War II is shattering. A long retreat by the working class and unions has come to an end. The bosses and their government are stepping up attacks on our wages, conditions, and constitutional rights. This book highlights opportunities for building a mass proletarian party able to lead the struggle to end capitalist rule, opening a socialist future for humanity.

Also in Spanish and French. 978-1-60488-145-5 / **US\$10**

## Are They Rich Because They're Smart?

*Class, Privilege, and Learning under Capitalism*

JACK BARNES

Explains the sharpening class inequalities in the United States and the resulting conflicts accelerated by today's slow-burning world depression. It takes apart the self-serving rationalizations of a growing layer of well-paid professionals that their schooling and "brightness" equip them to "regulate" the lives of working people, who can't be trusted to know what's in our own interests.

Also in Spanish, French, Arabic, and Farsi.
