Dear Ms. Myers:

Thank you for the books on Nelson Mandela. I assure you they will become a valued addition to my library.

My heart is very close to the cause of freedom for South Africa. Nelson Mandela is one of the true heroes of our time. His words and life are profoundly inspiring, however tragic, to me.

I find it strikingly appropriate that Pathfinder Press would choose to publish a Spanish version of his speeches. I hope that both of these books reach the audience they are intended for. I wish you all the best success in promoting the ideas of a man who is kept in silence. Here is to the common cause of global unity.

Sincerely,

Cesar E. Chavez  
President
