Che Guevara and the Fight for Socialism Today

Cuba Confronts the World Crisis of the 90's

BY MARY-ALICE WATERS

This pamphlet discusses the ideas of Che Guevara, a leader of the Cuban revolution, on how to organize workers and farmers to make the transition to socialism. It explains the current relevance of these perspectives to the economic and political problems confronting Cuba in the 1990s. The author is the editor of the Marxist magazine *New International*. The booklet is also available in Spanish and French.
