\*Taste the French art of living

More than French  
cuisine,  
*an Art de vivre*

Cuisine is at the heart of French life, whether it's regional, gastronomic, daily or festive.

The French's unique passion for cuisine has crossed time and even oceans. **With Ôcuisine, this French art de vivre is accessible to everyone.**

**An art above all else,** Ôcuisine is the result of glass workers' century-old tradition, with sleek lines, designed in Paris and made in the center of France.

**Especially a lifestyle,** Ôcuisine is within reach of everyone who likes to cook, savour, share, enjoy and treat others, eat better everyday and bring tasty dishes to their friends'.

**With a full range of dishes and utensils,** resisting bumps and extreme temperatures, **Ôcuisine is the brand** that turns cooking into a French Art de vivre.

*Borosilicate, an extremely  
resistant glass*

For healthy and succulent cooking, Ôcuisine is made with **extra resistant borosilicate tempered glass**. Resistant to  $-40^{\circ}\text{C}/+300^{\circ}\text{C}$  ( $-40^{\circ}\text{F}/572^{\circ}\text{F}$ ), borosilicate stands up to daily use and extreme thermal shock ( $220^{\circ}\text{C}/396^{\circ}\text{F}$  - EN 1183), going from the freezer into the oven to serve up delicious recipes. It also artfully and elegantly resists the passage of time, which is why **all Ôcuisine glass products are guaranteed for 10 years. Because when cooking, quality is the most important.** Any French person will tell you so.
