THE QTN EXPERIENCE

-  **KNOWLEDGEABLE CUSTOMER SERVICE REPS** who are happy to assist with placing orders or to help with questions about our products and services. When you call us, a live person answers (not an automated system) to make sure you talk to the person you need right away.
-  **STRONG SALES TEAM** that covers the entire country.
-  **EASY ORDER PROCESSING** via phone, email, fax or online.
-  **CORRECT AND ON-TIME ORDERS** using QTN's Order Accuracy Process. Each order is rechecked after being pulled to verify accuracy. Items are packaged securely so they arrive undamaged.
-  **QTN'S QUICK CONNECT ONLINE STORE OPEN 24/7** so orders can be placed at any time.
-  **PRINTED AND ELECTRONIC PRODUCT CATALOGS** with access to images, spec sheets and other helpful information.
-  **QTN UNIVERSITY TRAINING MATERIALS** to assist with finding the products you need, as well as answers to the most asked questions.

PRODUCT AVAILABILITY

LARGE INVENTORY OF FULLY STOCKED WAREHOUSES COVERING EAST AND WEST COASTS

Over 3,000 items are stocked in our 30,000 square-ft facility in Solon, Ohio with an additional distribution support center in California. Our readily available stock means you stock less and experience short lead times.

SAME DAY SHIPPING

BY 2:00 PM EST!

QTN'S AWARD WINNING NATIONAL BRANDS

Manufactured and tested for top performance and color consistency, QTN's on-site Quality Assurance Testing includes color matching, ply adhesion, and dye migration.

SolarFix® PTFE is AY Tech LLC's registered trademark for synthetic fiber, thread and yarn.

VENDOR & P.O. CONSOLIDATION

QTN stocks both sewing thread and notion items including zippers, hook & loop, webbing, elastic, and hardware in our distribution centers. This One-Stop Shopping allows you to bundle thread and notion purchases for maximum time and cost savings.

CUSTOMER STOCKING PROGRAM

The QTN Customer Stocking Program allows you to order and receive the right amount of product when you need it, reducing your inventory and administrative costs while improving service. QTN stocks the inventory for you with blanket purchase orders - simply schedule releases to meet your demand. This is a great way to save on cost of capital - by stocking less you can avoid high minimum order quantities and long delays that occur due to supply chain constraints. Benefits:

- Low minimum order quantities
- Blanket orders / sufficient stock
- 6 to 12 month blanket agreements available
- Inventory accuracy and traceability
- Advance shipping notice / schedule
- Price protection for your busy period

SPECIAL ORDER SOURCING

Our Product Managers have the industry knowledge and resources to identify and search for those hard-to-find thread and notion items.

- Reduce time and money - let QTN find the products for you
- QTN's Preferred Supplier Status with the most world-renowned mills allows you to get more competitive pricing and lower minimums.
- Special order products can be added to stock orders for additional savings.
