

# HERCULES

## Heavy-Duty Polyester & Nylon Thread

**Hercules Thread** is designed for sewing applications that require a bit of muscle. Our unique blend of bond and lubrication enhances sewing performance in demanding applications.

### Applications:

- Cold Air Inflatables
- Shade Structures
- Truck Tarps and Covers
- Architectural Designs
- Tents

### Nylon

Color	B207	B277	B346	B415
