

pureAir 3000 transforms your space into a continuously fresh and clean environment, removing airborne pollutants.

Using advanced technologies including our proprietary form of photocatalytic oxidation, active radiant catalysis (ARC®), activated oxygen (ozone), and unipolar ionization, pureAir 3000 significantly reduces odors caused by bacteria, mold and mildew, as well as other odors including those from pets, cooking, and smoking.

Unlike passive filters that affect only air that passes through them, pureAir 3000 projects purifying solutions to the sources of pollution inside your home, continuously removing odors and airborne particles. Set your desired level of cleaning for while you are home or run a deep clean while you are away and come home to pure freshness!

A small, sleek design makes it an elegant addition to any space, and a convenient remote control allows for simple purification level adjustment. Ideal for homes or offices up to 3,000 ft²*.

*Based on average ceiling height of 8.5' and open floor plan and/or adjoining rooms for single level dwelling. Read all instructions in user manual for proper product installation.

Benefits of pureAir 3000

Reduce Allergens From Your Breathing Space

Ultra Quiet Five Speed Fan

Neutralizes Tough Odors

Adjustable Purification

Reduce Odors From Smoke and More

Washable Rear Filters

Features & Specifications

Unit

- Dimensions: 12.25" H (311mm) x 8.88" W (226mm) x 10.75" D (273mm)
- Weight: 9.04 lb (4.10kg)
- Effective Area: Up to 3,000 ft²
- Remote Control: Controls Power, Purification Level, Fan Speed, Away Mode, Silent Mode
- Warranty: 1 Year Manufacturer's Warranty

Technologies

- Photocatalytic Oxidation (PCO)
- Unipolar Ionization
- Activated Oxygen (Ozone)
- Electrostatic Filtration

Power

- Power Input: 100 - 240VAC | 50/60Hz | 2.5A
- Power Output: 15V DC | 3A
- Power Usage: 22W (Normal) | 38W (High)

Packaging

- UPC: 855819003274
- Dimensions: 16.54" (420mm) H x 13.39" W (340mm) x 11.62" D (295mm)
- Weight: 11.47 lb (5.2kg)

To Use This Product Correctly

- Read All Instructions Carefully in User Manual Before Operating Purifier.
- DO NOT Adjust the Square Footage Setting to Exceed the Square Footage of the Space Being Treated.
- DO NOT Use AWAY MODE in Spaces Occupied by Human Beings or Pets. Allow 2 Hours Following Treatment in AWAY MODE Prior to Re-Entering.
