Vice President's Report

Paul spoke about his research on a CVMCE clubhouse. An email has already been sent to members detailing his results. In addition there was a suggestion that maybe Shannon's could cover the club's insurance in return for advertising in the club house. Also that other club or multi-club events could help to finance the club house.

Points raised by members were:

- 1) is the membership capable of the upkeep of a clubhouse? It was mentioned that there may not be enough younger members to do the work.
- 2) We have so much sitting in a shed which could be put on display and a great library too.
- 3) A clubhouse could be an interactive place for members, also for older members, and a social hub too.
- 4) It was felt that if there is a physical, tangible clubhouse members would be more likely to help out.
- 5) Could we affiliate with a local club such as Tomakin or Malua Clubs?

Secretaries Report

Thank you to Paul for performing my secretarial duties while I am avoiding winter. I have the links for the Bega Heritage and Retroautos April mags and the Oberon Heritage Railway May magazine – if interested contact me and I can forward you the link.

- Moved - Lloyd
- Seconded – Donna Upton

Treasurers Report

Current balance is \$50,000.00. We have had \$3,000 worth of renewals on line so the system is working well.

Michelle has sourced a machine which makes plastic membership cards. There will be a different colour for each year. Lanyards will also be provided. Memberships will be for 1 year only – this will be more efficient and easier for inspectors to know who is paid up when car inspection time comes around. Cards will be issued after June 30.

Website has been altered and simplified. There is an Events page on the website as well as on Facebook.

Registrars Report

We have had a new member have to cancel his application due to personal circumstances.

There are still a couple of new members waiting on badges but they are on the way.

Event Directors Report

The Saturday morning club runs are now from the Waterfront Hotel, Moruya to Smokey Dan's Tomakin or Smokey Dan's to the Waterfront. Smokey Dan's are going to be issuing coffee cards and they are also working on a deal eg. Bacon and egg roll and a coffee.

There is a 4WD trip on 19th May leaving the Adelaide Hotel at 8:30am which will end up at Bodalla for lunch. Let Richard Fisher know if you are attending. There are a few spare seats if you don't have your own vehicle or would prefer others to do all the hard work.

On 16th May there is a National Motor Heritage Day at Berry. Doug Bell has organised an area for CVMCE vehicles. There are 15 places available so please let him know if you are going otherwise you may be placed separately from the club.

On October 1-4 there will be a run to Canberra. Visits to local places of interest will be arranged which you can attend if you so choose.

The annual Show and Shine will be held on 31st October at Moruya Showground. This event will be held in conjunction with the Moruya Antique Machinery Club. If all goes well, we hope to turn it into a much bigger event in the future.

A sheet with all these runs and more was handed around.

General Business

A big thankyou from the RSL Sub-branch for the support of the CVMCE on ANZAC Day at Bateman's Bay, Moruya and Tomakin. There was a Dusk service at The Bunkers which was lovely with approximately 100 people attending. This will be an annual event.

On a club run if you see a new member please make sure you welcome and include them. It can be daunting in a new setting when you don't know anyone.

Other Business

Max Schier apologized for the split on the Saturday morning coffee run at Smokey Dan's. He felt he was being overcharged for a coffee so this created a misunderstanding.

Ross Haywood and other bike riders recently had a ride to Brisbane. One of the places they visited was the Museum of Modern Art which had a show "The Motorcycle – Design, Art and Desire" which displayed old, new and expensive bikes. They found great pricing at the city hotels so recommended to us to give visiting a city a go as the hotels are eager to get guests back and there are some great offers if you contact them directly.

Max Schier had a great trip to Wangaratta where he joined up with the Chrysler Club who adopted him and his MG. He was also lucky enough to win the raffle – a fridge/freezer which is not an ideal prize to fit into an MGB.....but he managed!

Raffles: Guard protector – Noelene Wood, \$50 – Paul Cameron, Mug – Rob Currall, Mug – Renata and the Castrol cap – Carl Whiffen

Next Committee Meeting – TBA

Next Club Meeting – 1st June, 2021

Meeting Closed 8:50pm
