Event Directors Report

Kate McDougall from ESC came for a chat about holding a classic car event in Senior's Week on the 17th April 2021.

She revealed the frightening statistic that one third of the fatalities in the Eurobodalla were people over the age of 65 so the ESC is trying to reach and educate this demographic using events such as this. It will be funded by Transport NSW and held at Moruya Library. It will be similar to last year's Council event with a Bbq provided.

There will be representatives from various agencies to provide info on relevant issues.

This club run was proposed by Rob Wildman and seconded by Rob Upton. Kate would also like to hear from the CVMCE of any events we would like to hold with the assistance of the ESC in the way of prize vouchers for example. One idea suggested was for our members to be the last cars to drive over the old bridge at Bateman's Bay. Kate will chase this up for us.

Club runs will be advertised in the Newsletter and the monthly news sheet. If you have an idea for a club run please contact Jake, all new ideas appreciated. There was a request for more weekend runs.

Editor's Report

Huw Owen-Jones is back on board as Editor. Thank you, Huw.

We now have new monthly newsletters. We need articles to make them happen. If you have any article that may be of interest to other members please email it to Huw. Photos are also very welcome.

- There is a new monthly newssheet which will keep you updated on events, meeting minutes and treasurers reports. Therefore, please make sure your email address is up to date.
- The issue of non-active members was brought up. As was what to do about members who don't follow the Conditional Historic Registration requirements - they put the club at risk of losing it's CMC membership which means we all lose our Historic Rego.
- Suggestions were asked for to raise money for a CVMCE clubhouse.
- Some members felt they had no idea about or say in the new member policy. Rob Upton clarified the policy. The minutes from the October 2020 meeting where this was discussed with the members were read out which settled the issue.
- Richard Fisher thanked the committee for keeping the CVMCE going through a disaster of a year. Rob thanked the membership for their support.

Next Committee Meeting – TBA Next Club Meeting – Tuesday 2nd March, 2021
