Last Car across the Old Batemans Bay Bridge

This event appears to be a moving target, the latest date we have is Saturday 27th March 4pm. The traffic control plan for the changeover will mean that the last vehicles to cross the old bridge will be doing so in a North to South direction. Members wishing to participate will be required to assemble in the vicinity of the Batemans Bay Public School to wait for the signal from the traffic controllers managing the changeover. Participants will need to be in place at the Surfside School on Mundarra Way an hour before the designated closure. Last minute communication to members will be via SMS so it is important that we have your current mobile number. Members who have not received an SMS from the club between now and the 22nd March please email your mobile phone number to Jake at events@cvmce.org.au if you wish to be involved in this event.

Editor’s Report

Please send in any contributions for the Newsletter. New members could send in a brief history and pictures about themselves and/or their vehicle – we all love to hear a good story!

General Business

A motion was moved for new members joining 3 months before the end of the financial year to receive 15 months membership i.e. their membership fees will last until June 30 the following year. The motion was carried.

**Note: As the Club Constitution already states members joining after 1 January, have membership to June 30 in following year this motion is invalid.*

It was asked if there has been a drop-off in membership applications with the new joining rules – and the reply was there has been no real affect.

Raffles

As we are unable to have raffles at the club we had a “random number guessing competition” with the prize being a voucher for Harvey Norman which was kindly donated by Jason Hines. The number was selected and written down by Paul Scott. The first number mentioned was the winning number - it was a very quick raffle!! The winner was Terry Goodall.

Next Committee Meeting – TBA

Next Club Meeting – 6th April, 2021

Meeting Closed 8.30pm
