President's Report

Some new members introduced themselves:

Matt Semenas who is from Long Beach and owns a Thunderbird, Peter Williamson who owns a '77 Stag and Geoff McMahon.

We have a couple of members whose membership has lapsed due to unfortunate personal circumstances. They have been long-time and loyal members. A motion was moved to allow their membership to continue as normal. This motion was voted on by the members attending the meeting and was passed.

Secretary's Report

Mail received: Aust. Post Box renewal, St George account statements, Cheque from N. Friend for membership fees for 2021, Milton Vintage Car club mag. Bega Motor Heritage Times and Retroauto April on-line editions. As I will be away for the June and August meetings, I need someone to take the minutes for me at these events. If anyone is able to help out it would be greatly appreciated.

Event Directors Report

Wednesday Runs– April Wednesday runs are posted on Facebook via the website

All upcoming runs are on the website and Facebook page. They will also be on the next emailed Monthly Update.

Even though we are all too young for this one - 17th April is the Moruya Library event for senior citizens with guest speakers. A bbq is being provided.

A big thankyou to Caroline Chad and the guys who helped organise the Willinga park event and to Rob Currall for his efforts and persevering with the Batemans Bay Bridge Run.

General Business

The Willinga Park event was a great success. Approximately 95 cars attended and it was very well organised. There was a bbq held where they raised \$192.00 which was donated to Yurana Cancer House in the CVMCE's name. Willinga Park will be open to the public on 14th and 15th May and has a 3 day camp draught coming up soon.

Cudos to Rob Currall who had to deal with difficult conditions and John Holland employees for the Bridge run. It was a good event but due to the continually delayed starting time attendance dropped from 40 cars to 10. It still went well and has had hundreds of on-line views. Rob Upton had his media profile lifted with an interview with the ABC about it.

Thank you to Michelle who gave up her seat for the final crossing to video it for us. It was great footage.

Other Business

Greg is inviting some of the members of the Bateman's Bay RSL to our Wednesday runs for social interaction and car appreciation. I know you will make them welcome and I am sure they will have good stories about the vehicles we drive.

Richard Fisher thanked the committee for the time and effort they have put in.

Raffles/Guessing Competition

The guard protector won by Brigitte Byrnes and the retro Castrol cap was won by Donna Upton.

Next Committee Meeting – TBA

Next Club Meeting – 4th May, 202

Meeting Closed 8.12pm
