

Little Learners Love Literacy[®]

Teaching ALL children to read,
write and spell with confidence.

Teaching ALL children to read, write and spell with confidence.

Evidence-based literacy research, referred to as 'the science of reading', stresses the importance of explicit and sequential literacy teaching. Our goal is to support this teaching in every classroom from the start of school, giving children the best possible chance of developing into fluent readers, writers and spellers. Little Learners Love Literacy® is an explicit and engaging program with focussed lessons and teaching routines, games, music, characters, stories, puppets and much more.

Seven-stage explicit teaching sequence

Our seven-stage sequence ensures that children are never asked to read or write something that is too difficult for them or that they have not yet been taught. Our scope and sequence is cumulative and carefully planned to move children towards mastery of the alphabetic code for both reading and spelling. Every lesson, routine and resource in the Little Learners program follows this sequence and fits our explicit teaching structure of revise - teach - practise - apply - assess.

Knowledge and skills

Little Learners Love Literacy® is designed for whole-class instruction in Foundation, Year 1 and into Year 2. It can additionally be used for intervention - Tier 2 and 3.

The program includes:

- phonemic awareness and phonics for spelling and reading
- handwriting
- reading fluency
- vocabulary and comprehension.

Our scope and sequence also includes morphology.

Engaging resources

Our beautifully designed resources all have purpose. Each resource provides structured practice of taught reading and writing skills matched to the Little Learners stages. Our range of resources are easy and enjoyable to use at school and at home.

Little Learners Love Literacy® comprises:

- teacher resources
- games
- decodable books
- assessments
- professional learning.

Little Learners Love Literacy® series include:

If you're new to Little Learners Love Literacy®, we highly recommend the Super Classroom Packs, which include everything you need to teach, including multiple copies of decodable books, and have over 25% discount.

Super Classroom Pack – Foundation

Super Classroom Pack – Year 1
