

The Long Tail

How To Play The Long Tail Game

Aim: to write as many pairs of homophones as possible

Preperation:

- The Long Tail game may be photocopied and laminated
- You will need a dice, counter, pencil and paper for each player

Rules:

- 1 Players place their counters on the start of The Long Tail
- 2 Players roll the dice to find out who will start first - the highest number begins. Players take turns to move along the long tail twice.
- 3 As each player lands on a word, they read it and write it on their paper
- 4 Players connect their matching words to make homophone pairs. The winner is the player with the highest number of homophones

Variations:

If a player lands on a word they have already written, they can move to the next word.
