

PARISI COFFEE®

PARTNER WITH US FOR PRIVATE BRAND COFFEE

GREEN COFFEE SOURCING • CONTRACT MANUFACTURING • CUSTOM BLENDS • STORE BRANDS

WHO WE ARE

With over 15 years of coffee manufacturing experience, we strive to source the highest quality specialty coffee, dedicating ourselves to perfecting roast profiles that maximize the natural essence in every bean. And while we have grown a lot since our beginnings, we are still guided by our values as craftsmen, always putting the “Quality of the Cup First.”

EXCEPTIONAL QUALITY

Our state-of-the-art roasting facility is SQF Certified and provides consistency in every batch while still allowing us to individually craft each roast. Our Quality Control team of Q Arabica Graders™, cups every roast to ensure your product is exactly how you want it to be.

RELATIONSHIPS

We visit our origin partners on their own land to ensure their farming techniques meet our high standards. We work with industry leading companies to aid in all areas of product creation, allowing us to offer high quality coffee and high quality solutions to our partners.

PRODUCT FLEXIBILITY

We work with our partners in developing their product and individualize each program to fit each partner's needs. Offering scalable capacity, starting with what you need, leaving room to grow into high-volume runs.

INDUSTRY EXPERTS

We are able to share our team's expertise for creating a product from start to finish with our partners. Everything from sourcing green coffee and creating a custom blend to packaging procurement and design.
