

explore P2

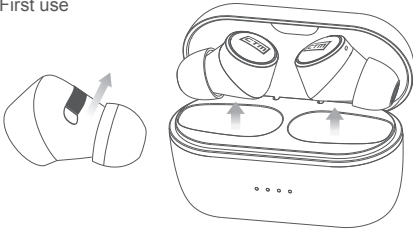

TRUE WIRELESS EARBUDS

USER GUIDE

Start Using First use

To wake your Earbuds up: take them out of the case, peel off the protective film from the pogo pins and re-insert them back into the case. Note: If Earbuds fail to be charged, please charge the case via USB cable (for details, please refer the following step).

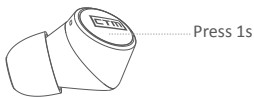

How to pair

1. Take out your Earbuds from the case, they will auto power on and pair with each other.
2. Left Earbud will auto enter into pairing mode while LED light on right Earbud will be off.
3. Search for "CTM EXPLORE P2" on your device and tap to pair it to your EarBuds.

Overview Choose eartips

Resetting

Please try the following steps if they fail to connect with the mobile device.

1. Take out both earbuds, press the button for 3s. The LED lights will turn off.
2. Press the button for 10s. The LED will turn on red and white at the same time, then the lights will turn off.
3. Put both earbuds back into the charging case. Take them out from the case, they will auto turn on and pair with each other.
4. Search for "CTM EXPLORE P2" on your mobile device and connect it with your earbuds.

Wearing

Place your Earbuds with mic towards the front side.

Charging

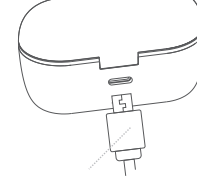

a Charging your Earbuds.

Insert the Earbuds into the charging case (pogo pins must be well-connected).

LED light will turn red while charging and turns white for 60 s once the charge is complete.

b Charging the Case

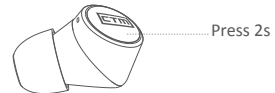

Connect the case via USB charging port.

Note: There are 4 LED lights to show the charging case battery status. They stand for 25%, 50%, 75% & 100% charge in sequence.

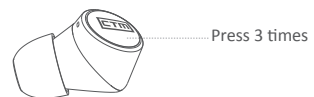

Voice Assistant

Under the standby status, press and hold the button for 2s to activate voice assistant.

Volume -

Press the left earphone button 3 times to decrease the volume.

Volume +

Press the right earphone button 3 times to increase the volume.

Tips

1. Please read the user manual before using your earbuds and keep it for future reference.
2. Your earbuds should be fully charged before first use.
3. If you don't use your earbuds for over 1 month, charge them before using them again.
4. Please use the qualified adapter.
5. If you can't find your earbuds in your mobile device's bluetooth list, please check if they are in pairing mode; if they don't get paired after a while, they'll exit pairing mode. If a procedure error occurs on your mobile device, please reset it; otherwise, reset your Earbuds.

Warning

1. Never disassemble or modify your earbuds .
2. Do not store them in extreme temperatures (under 0 C or over 45 C)
3. Keep out of reach of children.
4. Do not use your earbuds during thunderstorms.
5. Do not use harsh chemicals or strong detergents to clean your earbuds.
6. Keep them dry.
