

LION CUB GO™

We provide portable power that is safe, silent and renewable. It gives you peace of mind in emergencies and power for your work and play anytime, anywhere.

SAFE

The Lion Cub GO uses no emissions - none. It has no carbon footprint during use, emits no greenhouse gases and causes no damage to the environment. It's even safe enough to use indoors.

SILENT

Unlike other power units, the Lion Cub GO has silent power enabling you to sleep through the night at camp or allowing for an undisturbed work or play environment. No need for long extension cords to keep you from hearing a noisy, fuel-power generator.

RENEWABLE

The Lion Cub GO unit is part of our pride of products that creates clean, limitless, renewable energy sources to power your life. It's designed for recharge through traditional AC power or renewable sources such as solar.

LIFE ON YOUR TERMS
