

**The Encore Landscape Lighting System™** combined with Encore's superior products will create beauty, safety, and security all in a simple-to-install system. The Encore Landscape Lighting System allows for easy installation of fixtures and transformers while delivering balanced voltage to each fixture, creating a consistent lighting portrait to every project.

**The Encore Perfect Post Path System™** offers the flexibility of interchanging the shades on each path light without replacing the entire fixture allowing for cost effective seasonal design changes.

## TABLE OF CONTENTS

### Brass Products

Path and Area Lighting.....	2-11, 13-21
Up and Down Lighting .....	12, 22-25
Bollards.....	15-17, 20-21
Tiki Torch .....	19
Deck and Step Lighting.....	26-33
Hardscape and Under The Cap Lighting .....	30-31
Inground and Soffit Lighting .....	32-34
Well Lights and Inground Lighting.....	32-36
Underwater Lighting.....	37-39
Hanging Lights.....	40-41
Wall Sconces .....	42-43
Accessories .....	44-47

### Copper Products

Path and Area Lighting.....	48
Up Lighting .....	49

### Aluminum Products

Path and Area Lighting.....	50-53
Up and Down Lighting .....	54-55

### Support Equipment and Information

Transformers and Accessories .....	56-57
Lamp Guide.....	58-61
Kelvin Chart .....	63
Powder Coat Finishes .....	63
Warranty .....	64

**Note: All products in this catalog are 12 volt unless noted.**

## DARE TO COMPARE

- Our exceptional quality and innovative product line uses the finest materials available, including solid brass, copper, stainless steel, and a superior grade of cast aluminum.
- Our innovative fixtures are user friendly and can be adjusted without the use of tools.
- Our lifetime warranty and unsurpassed service is second to none.
- Our state of the art factory and shipping department allow for orders to be processed and shipped the same day.

Encore Landscape Lighting Products are the choice by professionals who require reliable products of superior quality that will last a lifetime.

# TRANSFORMERS

**TR-75SS-15**

**TR-150SS-15**

**TR-300SS-15**

**TR-600SS-22**

## Multi-Tap Transformers (WiFi Compatible)

- Construction:** 304 Stainless Steel
- Taps:** 12-15 Volt Transformers are 12, 13, 14, & 15
- Taps:** 12-22 Volt Transformers are 12, 13, 14, 15, 16, 17, 18, 20, & 22
- Primary Protection:** Automatic thermal reset breaker
- Secondary Protection:** 25 amp, 300 watt magnetic breaker with reset switch
- Torodial Core:** Epoxy sealed core which is silent and up to 10% more efficient, runs much cooler than laminated cores
- Terminal:** Extra large 125 amp terminal blocks, holds (8) 12/2 wire
- Internal Wiring:** Non-corrosive, tin coated marine grade, dedicated current loop to measure primary amperage.
- Timer Receptacle:** Standard receptacle for plug and play options
- Photo Cell Plug:** Dedicated plug for easy installation of photo cell
- Child Proof Safety:** Lockable latched door to prevent access

# KELVIN CHART / POWDER COAT FINISHES

## Optional Finishes

- Custom color matching is available
- Additional RAL colors are available using the standard RAL color system
- Actual finishes may differ slightly than as shown above
- Choosing any color other than the standard finish will result in an up-charge per fixture

Encore Landscape Lighting warrants to the owner, each new lighting product against defects in material and workmanship for a period described below. During the warranty period, Encore Landscape Lighting will repair or replace, at our discretion, any part found to be defective. Your remedy is limited solely to the replacement or repair of defective parts.

This warranty does not apply to products, including lamps, not manufactured by Encore Landscape Lighting when used in conjunction with Encore Landscape Lighting products; or where equipment is used, or installation is performed in any manner contrary to Encore Landscape Lighting's specifications or instructions, nor where equipment is altered or modified. Encore Landscape Lighting assumes no responsibility for the improper installation of its products.

Encore Landscape Lighting is not liable for indirect, incidental or consequential damages in connection with the use of equipment, including but not limited to: vegetation loss, the cost of substitute equipment or services required during malfunction, property damage or personal injury resulting from installers actions, whether negligent or otherwise.

All implied warranties, including those of merchantability and fitness of use, are limited to the duration of this express warranty. All transformers, ABS well lights, brass and copper fixtures are covered by this warranty for the life of the original installation. All aluminum Encore Landscape Lighting fixtures are covered by this warranty for a period of three years from the date of installation. The warranty does not extend to color fading by UV rays or exposure to harsh chemicals or harsh environments including salt water environments. This warranty is non-transferable. Underwater fixtures have a warranty of one year. This warranty does not include the replacement of any lamps with the expectation of the LED lamps as listed below.

LED lamps have a warranty of three years from the date of purchase. The LED lamps must be installed at the correct voltage. Any LED lamp that is installed at an excessive voltage will void the warranty. The LED Lamps must be installed in conjunction with an Encore Landscape Lighting transformer or an approved transformer by Encore Landscape Lighting. The transformer must be a magnetic type. The use of Encore Landscape Lighting's LED lamps without a magnetic type of transformer or at voltages higher than the preferred specs will void the warranty.

In order to have a valid warranty, a registration form must be completed and submitted back to Encore Landscape Lighting within 30 days of purchase. The warranty registration form can be found on our website at [www.encorelandscapelighting.com](http://www.encorelandscapelighting.com). The warranty form must be fully completed.

A product is covered during the warranty period if it is returned to Encore Landscape Lighting, freight prepaid. Our factory will inspect the product to determine if it is defective under the terms of the warranty. All products must have an RGA form (return goods authorization) completed by the customer and sent to Encore Landscape Lighting for approval. Once approved, a RGA number will be issued. No returns will be accepted without the RGA number. Encore Landscape Lighting does not compensate for any labor, diagnosis, repair, replacement, shipping fees or transportation.
