

This drawing is provided for sample purposes only. Images have been downsized and cropped to fit this 8-1/2" x 11" page. This is a partial sample of Drawing #19 from our #DF5 ProSeries Mandolin set. Siminoff Pro-Series Drawings include drawings sets for the A1, A5, F4, F5*, H4 and H5 instruments, and a Templates and Fixtures drawing set for the F5 mandolin. Instrument drawing sets include: top, side, end, cross-section, soundboard and backboard graduations, soundholes, rim assembly and lining, fretboard, peghead, and full front, back, and side. Most drawing sets are 18-20 pages and vary in size from 12" x 9" to 12" x 32".

*The DF5 mandolin drawing set is only available as part of *The Ultimate Bluegrass Mandolin Construction Manual*.

Note: Since some computer displays may show curved lines as zig-zags, it is best to either print this document or evaluate it at an enlarged size.
