

Welcome to the Republic of Fremantle

Here we craft world-class spirits from scratch. Starting our meticulous process, not at distillation but from the harvest of locally grown grapes to create the ultimate pure grape based spirit.

A vibrant canvas on which we bring our unique Vodka and Gin to life. This ethos flows through to our Cocktail, Food and Drinks menus as we celebrate fresh local produce and other passionate craftspeople.

Dive in, enjoy a cocktail or two, have a bite to eat or grab a bottle to go.

And if you're in a group, be sure to ask us about our bottle serves of cocktails. They're fun.

Our Cocktails

Our cocktails are for the Republic, for Fremantle.

We showcase our spirits in classic cocktails, reimagined for their unique profiles, and signature drinks crafted by our talented team.

These drinks are curated for the season, designed for enjoyment as the weather cools and the night becomes longer.

Our cocktail are best shared in great company.
