Our Flagship Spirits

From the harvest of locally grown grapes in the Swan Valley, to innovative distilling methods and our custom built still, discover the art of making Republic of Fremantle spirits. We begin our meticulous process, not a distillation but from the harvest of locally grown grapes in Western Australia to craft the ultimate pure grape based spirit.

Bringing our vodka and gin to life with a grape base spirit that holds natural, elegant citrus and melon characters is what creates the true Republic of Fremantle experience, with the taste of delicate fruit notes and the velvet-like texture.
