OUR STORY

We are proud of our heritage of over 40 years and still going strong! In 1970, Sable & Rosenfeld was co-founded by President Myra Sable and her friend and former partner, Carol Rosenfeld. Within this 44 year span, Sable & Rosenfeld has grown to a successful company servicing the production and sales distribution of gourmet products throughout the United States and Canada. Sable & Rosenfeld serves the needs of approximately 3,000 gourmet retail enthusiasts across North America and beyond.

What began as a love for cooking has grown into one of Canada's most successful, privately-owned gourmet food companies. Our mission today, and since our very beginning, is to provide our customers with high quality, zestfully delicious and easy to use condiments for everyday living. Sable & Rosenfeld is made with the freshest ingredients with many products being Kosher, gluten free and all natural. Sable & Rosenfeld has become the condiment of choice in many households and restaurants worldwide and a proud recipient of numerous awards including the National Specialty Food 'Product Line' and 'Grand Show Prize'.

It is our pleasure to announce that Myra Sable has been recently chosen to be an inductee into the Specialty Food Association Hall of Fame. The Hall's Mission is to honor individuals whose accomplishments, impact, contributions, innovations, and successes within the specialty food industry deserve praise and recognition.
