

Welcome to the RevoSlot Championships Australia 2024.

This years event is being hosted by Show Us Ya Slotz on both their 6 lane Banked Suzuka Track and their 6 Lane Flat Track. The Suzuka track banked is a Melamine Surfaced wood routed track of around 38 Metres in length with some nice sharp bends, and beautiful long straight, and a couple of sharp rises to really test your driving skills. The Flat Track has the same Melamine surface, and has some very nice driving bends and turns

Show Us Ya Slotz is located in the quiet town of Lemon Tree Passage in the picturesque Port Stephens area. The handy location is Situated about 45 Minutes drive from Newcastle Town Centre, and 2.5 hours North of Sydney. But is only is only 20 minutes from Newcastle's Williamtown Airport, making it easy access for out of state racers to be able to take part.

It is in a beautiful part of NSW and is located close to numerous beaches and the lovely Nelson Bay. So it can make a great location for the family to take time out, whilst you get into the racing.

RACING FORMAT IS AS FOLLOWS:

Friday July 26, 2024, Class – Choice of Group 2 Cars: Escort, Alfa, BMW (See Specs Sheets) – Raced on the Flat Track

8:00am Competitors can collect their hand out new tyres. Racers have until 9:45 to set up cars scrutineering. Be sure to present your car for scrutineering well before the cut-off time
Note: Motors must not appear tampered with, and will be dyna / strobe tested. RevoSlot will be supplying tested Hand out motors for the racing.

8:00am – 9:45am track opens for practice- Use this time to ensure your car is performance ready. 3-minute practice blocks for each driver. (rotate if time permits).

10am onwards : Qualifying. One minute per driver on a selected lane (to be advised on the day), fastest lap decides your grid place.

Heats will then commence in the qualifying order. The length of the heat will depend on the number of qualified racers.

Lunch around 1:00pm - Heats continue. Expected finish and winners announced 5-6pm.
