

2024 CHICK DAYS

WEEK #4: Pickup Week of May 27th

Limited Quantities • Prepaid Orders Only

RHODE ISLAND RED – PULLETS (#9904)		
	Rhode Island Reds are an old time, well-known American breed. They are an excellent dual-purpose bird that efficiently produces large brown eggs. From the time they are chicks until maturity they may have white on the wing tips, but when they are fully matured, they should not have any white feathers.	\$6.99/ea.
AMERAUCANA – STRAIGHT RUN (#9959)		
	Ameraucanas are known as the “Easter Egg Breed”. They are a multicolored breed with beards, muffs, and a normal tail with a tail head. Ameraucanas are excellent, efficient producers of large eggs of many colors and shades including blue, pink, tan and green.	\$7.99/ea.
BRONZE TURKEYS – STRAIGHT RUN (#9929)		
	Broad Breasted Bronze Turkeys are fast growing double-breasted turkeys, which have the beautiful natural color of wild turkeys. They are the most popular breed of turkeys for the small farm flock.	\$13.99/ea.
ASSORTED BANTAMS – STRAIGHT RUN (#9919)		
	Bantam Chickens are most suitable for small backyards where space is premium. You can easily fit two bantams into the space required by one standard bird, and since they like to fly, building up will accommodate them well.	\$ 7.99/ea.
