

Transform from Cutting Board to TidyBoard.

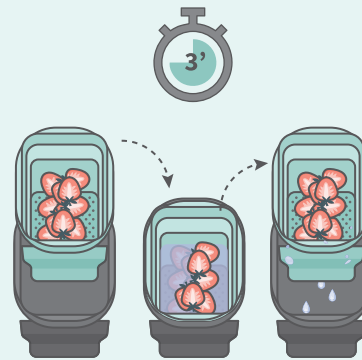

First, Insert Large Container or Strainer. Then, Insert Small Containers & Strainers

Strain Hands-Free into Sink.

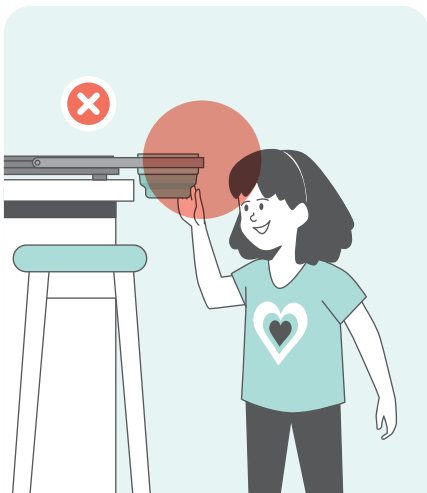

Work Over TidyBoard.

Stack Strainer into Container and Soak Veggies and Fruit for 3 minutes to Clean. Drip Dry into Container.

Nest Small Containers in Large Container and Use Large Lid.

NEVER Leave TidyBoard Unattended Around Children!

DO NOT Place Feet Over the Sink  
For Sinks with Raised Lips, Move Front Feet Back. NOTE: Moving Front Feet Allows for Less Weight in Containers

DO NOT use Metal Ubar as a handle.
