

# CARIMALI

## TECHNOLOGIES

### Programmable/ Volumetric

The Pratica attains in-built control systems that utilise a programmable hot water & coffee dosing as well as boiler temperature and pre-infusion for all groups.

### Electrical Heating

Wide cup warmer in stainless steel as well as 2 steam wands (for 2 groups Pratica Double Steam) and 1 hot water output

### Temperature probe

Makes temperature easy to control and a constant control of steam boiler pressure

### Boiler pressure control gauge

For steam boiler and pump with automatic level control for boiler and heating up stage with heat-exchange

### Two group head commercial machine

Pratica is available in 2 high-raised groups, with automatic or semi-automatic dosages.
