WHOLESALE CATALOGUE 2024

HOW DID THIS ALL BEGIN?

I'm Jodie Hansen and I am the owner of Design Corner,
based out of beautiful St. Margaret's Bay, Nova Scotia.

A bit of background intel—I graduated from the Illustration program at
Sheridan College in Toronto many moons ago and decided after graduation to
illustrate my own Christmas card every year to send to friends and family.
Feeling courageous, I started selling a few of my cards at a local Christmas market.

Pleasantly surprised at how well they were received, I decided to take it
to the next level starting with an online store, and the rest, as they say, is history.

Drawing what I love soon infiltrated my first line of cards—Star Wars (I'm a geek at heart).

Other favourite pop culture genres soon followed and now I have a
full arsenal of themes that I watch, enjoy and celebrate with my fan art
along with other original designs and hand lettering.

I love to make people laugh—good/bad puns also became a bit of my trademark.
Let's face it—life is too short to not have a good chuckle every once in a while.

I have retail partners in the US, Canada and internationally.

If you share my love of laughter you've come to the right place.

Let's do business together!
