

Winter Break

BUCKET LIST

Go sledding. Make this even more more fun by building a DIY sled out of cardboard & duct tape.

Put food coloring and water in a spray bottle and make colored snow. {Tip: wear dark mitts!}

Feed the birds: Coat a pine cone in nut butter & roll in birdseed.

Search for animal tracks in the fresh fallen snow. How many animals can you find?

Build a catapult out of scrap wood and see whose snowball can be launched the furthest.

Use a stick to write your names and holiday wishes in the snow.

Make snow angels in fresh fallen snow.

Make snow animal sculptures. Decorate with twigs, leaves, berries, and other bits from nature.

Play a game of soccer in the snow.
