

# Monthly Tab Guides

Print this sheet and cut out the guide for the layout you prefer. Line up the dotted line with the top and bottom of your planner, and use the monthly lines to line up the corresponding tab inside your planner. For best results, about 1/8" of the sticker should attach to the page (or, you can attach them flush to the page!). Fold over and press firmly!

## 2 ROWS OF 6 WITH NO OVERLAP

## SINGLE ROW WITH SOME OVERLAP
