

External Extension Handle

SKU / Product Number

- 500-2310900

Benefits and Features

- Mounts to the outside of a case (rotomold, ATA, etc).
- Extends 12", handle stops in two positions: full extended and fully retracted with locking tab.
- Approximate weight capacity 125lbs.
- Handle has built in offset to glide past extrusions.
- Sides are bevelled to reduce impact.
- Made from glass filled engineered plastic resin.
- Low profile design, with recessed mounting holes (with knock-out cover) to protect screws.
