

Protective Surface Mount Latch

SKUs / Product Number

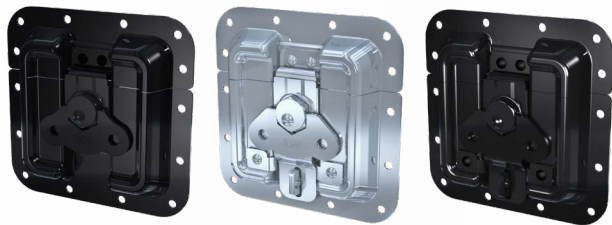

- 501-423800

Benefits and Features

- Easy To install - no cutting required allowing for lower labor cost.
- Critical twist latch components are protected by a protective steel rib surrounding the latch.
- New wing design for easier operation.
- Coil Springs are protected under the mounting plate and automatically compensates for up to 0.16" [4mm] misalignment.
- Twist latch is staked to prevent the latch from falling open.
