

# Barrier Partitions

## Benefits & Features

- Offers protection and privacy in public spaces
- Smooth surface for effective cleaning
- Polycarbonate Panels include a U-channel that covers all edges
- Polycarbonate Panels impact resistance is 200x greater than glass and 10x greater than Acrylic
- Light weight simplifies moving
- Cost effective
- Stands & suspension options available

## Primary Applications

- Workout Facilities
- Open Office Spaces
- Command & Control work spaces
- Hotel Lobbies
- Sales Centers
- Event Rental
- Office Furniture Suppliers
- Hair & Nail Salons
- Spas

## Cleaning, Storage & Handling Panels

- Use warm water & mild detergent or plastic safe cleaner. Gently wipe on/off with a micro-fiber towel. Do not use Ammonia, alcohol or bleach products that exceed a 0.5% solution, harsh chemicals and abrasive elements.
- Store items on a flat and clean surface. Keep product free of dirt and debris.

| PVC Panels                                  | SKU             | Sale Price (\$USD) | Color                     |
|---|-----------------|--------------------|---------------------------|
| 3/8" X48" X84"                              | FP-PVC38XX      | \$175.00           | White or Black            |
| Polycarbonate                               | SKU             | Sale Price (\$USD) | Color                     |
| 3/8" X48" X84" Clear                        | FP-P38CLR       | \$125.00           | Clear                     |
| 3/8" X48" X84" Bronze                       | FP-P38BRZ       | \$135.00           | Bronze (semi-transparent) |
| Mounting Options (Stand)                    | SKU             | Sale Price (\$USD) | Color                     |
| 22-1/2" X63"                                | FP-STDXX        | \$200.00           | White or Black            |
| Mounting Options (Suspension)               | SKU             | Sale Price (\$USD) | Color                     |
| Fixed Point                                 | FP-SLTC60       | \$55.00            | N/A                       |
| Looped Cable                                | FP-44TC60       | \$55.00            |                           |
