

Age Reversal Hand Cream

The Elim MediHand Age Reversal Hand Cream is an intensive anti-aging formula specifically aimed at age reversal and eliminating dark spots on the hands. It also promotes the natural repairing mechanism of the skin. It has an SPF factor of 30 for your protection.

WHAT MAKES ME DIFFERENT?

The Age Reversal Hand Cream is a treatment for aging hands and clients with pigmentation. It restores a perfect and even skin tone by blocking the melanogenesis process at several levels and by protecting the skin and preventing inflammation. The active ingredients are 4 times more potent than Vitamin C, 60 times more efficient than kojic acid. Visible results after only 28 days and long lasting results after 3 months.

HOW DO YOU APPLY ME?

Use as often as required, applying a generous amount to the back of the hand.

WHAT ARE MY ACTIVES AND BENEFITS?

Lactic Acid reduces the appearance of wrinkles on the outer hands.

Avobenzone absorbs the full spectrum of UVA rays.

Niacinimide is a skin-restoring ingredient that assists with uneven skin tone.

Uvinul A Plus reflects UVA rays.

Ethylhexyl Triazone absorbs UVB radiation.

Billberry Extract is a natural active used for skin lightening.

Hydrolyzed Oat Protein is the alternative hydrator to make the formula GMO and Gluten Free.

NEW IDEAS

Never wash your hands after applying hand cream.

Apply hand cream to the back of your hand and rub against the back of your other hand. Remember it is the back of the hand that needs exposure to products, not the palms where we tend to concentrate our treatment.

I AM AVAILABLE IN THESE SIZES

Retail: 80ml (2.70 fl.oz)

INGREDIENTS

Aqua, Lactic Acid, Butyl Methoxydibenzoylmethane Niacinamide, Paraffinum Liquidum, Propylene Glycol Diethylamino Hydroxybenzoyl Hexyl Benzoate Dimethicone, Glyceryl Stearate Se, Glycerin, Isopropyl Myristate, Zinc Oxide, Cetyl Acetate, Acetylated Lanolin Alcohol, Peg-150 Distearate, Ethylhexyl Triazone, Cetyl Alcohol, Dimethiconol, Triethanolamine, Cetearyl Dimethicone, Crosspolymer, Hydrogenated Vegetable Glycerides, Vaccinium Myrtillus Fruit Extract, Stearic Acid, Parfum, Cetearyl Alcohol, Cetearyl Glucoside, Butylene Glycol, Acetyl Tyrosine Panthenol, Tocopherol Acetate, Sodium Benzoate, Potassium Sorbate, Edta, Hydrolyzed Oat Protein, Adenosine Triphosphate, Proline, Hibiscus Sabdariffa Flower Extract, Hydrolyzed Vegetable Protein, Adenosine Triphosphate, Linalool, Limonene, Evernia Prusastris Extract.
