

Foot Perfector

With its unique moisture lock system, the Elim MediHeel Foot Perfector contains a range of vitamins and oils to nourish and protect the feet. Shea Butter, Urea and Honey were added for super hydration, while Collagen plumps up fine wrinkles on the feet and improves the general appearance of the feet. Contains Vitamin E and Pro Vitamin B5.

WHAT MAKES ME DIFFERENT?

Normal heel balms stay oily after application, but the Elim MediHeel Foot Perfector, with its unique gel powder technology, ensures a slip-free, non-oily experience after application.

HOW DO YOU APPLY ME?

Use as a massage medium, to nourish and hydrate the feet. Apply to feet and lower legs, massaging in circular motions. Allow to dry before wearing shoes.

WHAT ARE MY ACTIVES AND BENEFITS?

- Vitamins & Almond Oils** to nourish and feed the feet.
- Shea Butter** for hydration.
- Isopropyl Mysirate** is an extra absorption mechanism, that ensures every ingredient is absorbed into the skin.
- Vitamin E**
- Collagen** to plump skin and improve its appearance.
- Pro Vitamin B5**
- Honeyquat** an excellent humectant.
- Propylene Glycol** acts as a water lock system.
- Urea** was included for hydration.
- Dimethicone** prevents on oily residue on the feet after the pedicure.

NEW IDEAS

Apply to dry elbows and knees for an even skin appearance.
