

Gold Spritz

A burst of gold shimmer, with a fine fragrance. The perfect finish to your treatment or a daily indulgence to leave the skin with a burst of gold. Gives radiance to the legs, arms, body and hair.

WHAT MAKES ME DIFFERENT?

Shimmer products normally come in a cream base, but the Elim Gold Spritz is a gold titanium shimmer in a fine fragrance that you can mist all over the body with a Spritzer. Ideal for skin, hair or clothing.

HOW DO YOU APPLY ME?

Shake your bottle vigorously until no shimmer is at the bottom of your bottle. Hold 15cm from your skin or hair and generously mist your Gold Spritz. Safe for use all over the body or on your clothing.

WHAT ARE MY ACTIVES AND BENEFITS?

Gernamium Oil promotes beautiful and radiant skin and improves circulation.

Glycerin is non-toxic in nature and was added as a hydration agent. **Urea** is a humectant and will retain moisture in the skin. It also strengthens the skin's barrier function.
