

GUESS MY ANSWER

CLASSIC SUSSSED

Rules: 2+ players

Each player needs:

- a Sussed card
- a set of ABC cards

To start: choose someone to read from their Sussed card. They're the first reader. Everyone else is a Susser.

Scoring is optional

Score using the points side of the spare Sussed cards. Sussers, pick up a point card each time you guess correctly!

PLAY

1. Read a question

Reader: read out a question and its answers. Choose which answer is closest to the truth for you, and put that ABC card face down.

2. Guess their answer

Sussers: which answer do you think the reader has chosen: A, B or C? Put that ABC card face down in front of you.

3. Time for the countdown!

When everyone is ready, count down together: "3... 2... 1... Go!". All the Sussers turn over their ABC cards and shout out their guesses. Then, take it in turns to say **why** you chose that answer.

Ending your turn

The reader turns over their ABC card and tells everyone why they chose it! The next player becomes the reader. The game ends after everyone has read 3 questions!
