

GUESS

THE TOP ANSWER

TRY
ME!

Rules: 3+ players

What's this game about? It's the reader's turn to suss out the Sussers! Can you guess which answer most people have picked for you?

Each player needs:

- a Sussed card
- a set of ABC cards

Scoring is optional: If the reader guesses correctly, they pick up a point!

PLAY

1. Read a question

Reader: read out a question and its answers.
Sussers: which answer do you think the reader would choose? Put that ABC card face down.

2. Guess the Sussers' top answer

Reader: guess which ABC card has been chosen the most times for you, and put that card face down.

If you don't think one of the ABC cards has been put down more times than the others, put down all 3 of your ABC cards.

3. Turn over the cards

Sussers: take it in turns to show your card and share why you chose it.

Ending your turn

The reader turns over their ABC card and tells everyone why they chose it! The next player is now the reader. The game ends after everyone has read 3 questions.
