20. For border 1, join the seven 1-1/2" 3955 Eclipse – White border strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew one strip to each side of the quilt top. Measure the width of the quilt top through the center. Cut two border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.

21. Repeat Step 20 with the seven 2" 1763M-76 Dots - Teal strips to make and add border 2.

Finishing

23. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark quilting design, and quilt by hand or machine. When quilting is complete, remove pins or basting, and trim batting and backing even with raw edges of the quilt top.

24. Join the eight 2-1/2" 9570-76 JotDot - Teal binding strips together end to end using a diagonal seam to make one long strip. Fold in half lengthwise and press. Sew binding to the edges of the quilt, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.
